Ecrire après Auschwitz Karsten Garscha, Bruno Gelas, Jean-Pierre Martin, 2006 **K.L. Reich** Joaquim Amat-Piniella, 2014-06-23 Available in English for the first time Joaquim Amat Piniella s searing Catalan novel K L Reich is a central work of testimonial literature of the Nazi concentration camps Begun immediately after Amat Piniella s liberation in 1945 the book is based on his own four year internment at Mauthausen When the war is over remember all this Remember me implores one of the book s characters on his deathbed and it is this call to bear witness that Amat Piniella takes up in his account of the Spanish Republican fighters who were exiled in France at the end of the Spanish Civil War in 1939 and soon swept up into the German concentration camp system As an already organized anti fascist army they played an important role as a nucleus of resistance within the camps and their story is little known to English language readers Because of the length of his internment his decision to

write his book as fiction and his staggering powers of observation and recollection Amat Piniella's portrayal of life in the camps is unmatched in scope and detail It is also a compelling study of three powerful ideological movements at work at the time anarchism communism and fascism all within the desperate and brutal world of the camps My book does not seek to deepen wounds or differences but to unite people before cruelty said Amat Piniella This is an essential text as we ponder the twentieth century and its meaning to us today This edition includes a new preface annotations and a translators note

Re-presentation Nicole Thatcher, 2000 Among the testimonial writings on WWII those of Charlotte Delbo 1913-1985 occupy a recognized place in the literature of atrocity Critics and researchers have been interested in the way the imaginative truth of her experience has been conveyed yet most have not considered the way she dealt with conventions of literary genres she chose influences that affected her and the cultural and situational elements which had a bearing on her as a writer This work brings together Delbo's writing on her concentrationary experience including plays and prose with her writing that are not related to that experience and examines their literary aspects and factors which played a role in shaping them Annotation copyrighted by Book News Inc Portland OR Écrire à contre-courant Patrick Moreau, 2024-10-01T15:45:00-04:00 Dans *crire contre courant* Patrick Moreau met en lumière ses chroniques dans lesquelles l'analyse critique sur les discours contemporains est probante et loquente On y retrouve rapidement son esprit politique L'auteur cherit la liberté d'expression et aime les débats d'idées tout en prenant la nuance Ses sujets de prédilection font partie des enjeux actuels de notre société Entre autres il y a la culture de l'annulation le rôle des crans dans nos vies l'écriture inclusive et surtout la force de la littérature
