**El Libro de los Sueños** Sarvananda Bluestone, 2005      **Lo que Dios dice sobre nuestros cuerpos**

Sam Allberry, 2022-08-29 Para la cultura secular moderna el cuerpo humano es poco más que un vehículo para la autoexpresión gratuita nuestros cuerpos nos pertenecen y podemos hacer con ellos lo que queramos De esta manera la cultura actual ha perdido de vista el verdadero significado del cuerpo De igual modo los cristianos también tienden a restarle importancia al cuerpo físico En *Lo que Dios dice sobre tu cuerpo* Sam Allberry argumenta que la Biblia tiene mucho que decir sobre el cuerpo y muestra que la importancia práctica de la enseñanza de la Escritura sobre este tema impacta cómo deben pensar y comportarse los cristianos El libro está organizado alrededor de tres categorías Lo que Dios planeó para el cuerpo creación El impacto del pecado en el cuerpo cada y Cómo Dios redimir el cuerpo redención Este recurso proveer a los creyentes una teología del cuerpo balanceada y accesible al buscar glorificar a Dios en todo lo que hacen What God Has to Say About Our Bodies To modern secular culture the human body is little more than a vehicle for free self expression our bodies belong to us

and we can do with them as we please In this way the prevailing culture has lost sight of the true significance of the body Similarly Christians also tend to underemphasize the significance of the physical body In What God Has to Say about Our Bodies Sam Allberry argues that the Bible has a lot to say about the body and shows how the practical significance of Scripture s teaching on this topic impacts how Christians should think and behave Organized around three categories What God intended for the body creation The impact of sin on the body fall and How God will redeem the body redemption The book provides believers with a balanced and accessible theology of the body as they seek to glorify God in everything they do
