## **El Cid Le Cid:**

**The Poem of the Cid**, 2019-09-24 One of the greatest works of Spanish literature this eight hundred year old epic details the legendary exploits of the soldier adventurer Ruy Diaz of Bivar El Cid and of his part in the long struggle between Christianity and Islam The epic poem recounts the adventures of the Cid of his peerless steed Babieca and of his two famous swords Colada and Tizona of his wife Doña Ximena and his two daughters Doña Elvira and Doña Sol who found sanctuary with Abbot Don Sancho in the monastery of San Pedro de Cardena during the Cid's exile and of the despicable and black hearted princes of Carrión Diego and Fernando González It is a powerful epic that sings of universal human values and failures of loyalty and betrayal **El Cid** Bronston, Samuel Productions, Inc, Fredric M. Frank, Allied Artists Pictures Corporation, Philip Yordan, Charlton Heston, Sophia Loren, 1961 Poem of the Cid Paul Blackburn, George Economou, 1998 Few works have shaped a national literature as thoroughly as the Poem of the Cid has shaped the Spanish literary tradition Tracing the life of the eleventh century military commander Rodrigo Díaz de Vivar called El Cid from the Arabic Sayyidi My Lord this medieval epic describes a series of events surrounding his exile The text of the poem survives in only one early thirteenth century manuscript copied by a single scribe yet centuries later the figure of the Cid still was celebrated in the Spanish popular ballad tradition Today almost every theme that characterizes Spanish literature honor justice loyalty treachery and jealousy derives from the Poem of the Cid Restored by poet and medievalist George Economou this elegant and spirited translation by Paul Blackburn is judged by many the finest English translation of a great medieval poem **The Quest for El Cid** Richard A. Fletcher, 1991 Rodrigo Díaz the legendary warrior knight of eleventh century Castile known as El Cid is still honored in Spain as a national hero for liberating the fatherland from the occupying Moors Yet as this book reveals there are many contradictions between eleventh century reality and the mythology that developed later By placing El Cid in a fresh historical context Fletcher shows us an adventurous soldier of fortune who was of a type one of a number of cids or bosses who flourished in eleventh century Spain But the El Cid of legend the national hero was unique in stature even in his lifetime Before his death El Cid was already celebrated in a poem posthumously he was immortalized in the great epic Poema de Mío Cid When he died in Valencia in 1099 he was ruler of an independent principality he had carved for himself in Eastern Spain Rather than the zealous Christian leader many believe him to have been Rodrigo emerges in Fletcher's study as a mercenary equally at home in the feudal kingdoms of northern Spain and the exotic Moorish lands of the south selling his martial skills to Christian and Muslim alike Indeed his very title derives from the Arabic word sayyid meaning lord or master And as there was little if any sense of Spanish nationhood in the eleventh century he can hardly be credited for uniting a medieval Spanish nation This ground breaking inquiry into the life and times of El Cid disentangles fact from myth to create a striking portrait of an extraordinary man clearly showing how and why legend transformed him into something he was not during his lifetime From publisher description *El Cid* Nora Berend, 2025-01-07 Exploring the creation of the El Cid legend over the centuries

this masterful and evocative biography peels away the layers of myth to reveal the real life historical figure El Cid was perhaps the most famous warrior involved in the indiscriminate fighting irrespective of religion on the Iberian Peninsula during the eleventh century In the centuries after his death he was transformed into a perfect Christian knight In modernity he was seen as the incarnation of Spain's special national character Franco chose El Cid as the emblem of Nationalist Spain Yet not only those on the political right but many others including academics and those on the political left were in his thrall He has been promoted both as the forerunner of white supremacists and of multiculturalism How can we explain such a stupendous afterlife and how can El Cid be a hero for so many different people To begin to understand that we must try to understand the truth buried beneath the myth Nora Berend explores the creation of the legends over the centuries and reveals those active in its making Medieval monks the women in El Cid's family a playwright and a historian are among the creators of the mythic Cid This riveting narrative seeks to explain their motives and in so doing peels away the layers of legend to evoke the real life historical figure

**Illustrating El Cid, 1498 to Today** Lauren Beck,2019-05-13 Like England s Arthur and France s Charlemagne the Cid is Spain s national hero and for centuries he has served as an ideal model of citizenship All Spaniards are familiar with the story of the Cid and the multifarious ways in which he is visualized From illuminations in medieval manuscripts to illustrations in twenty first century editions depictions of the Cid vary widely revealing just how much Spain s national identity has transformed throughout the centuries Uncovering the racial gendered and political impacts of one of Spain s most legendary heroes *Illustrating El Cid 1498 to Today* traces the development of more than five centuries of illustrations and problematizes their reception and circulation in Spain and abroad By documenting the evolution of visual representations of the Cid their artists and their targeted readerships Lauren Beck also uncovers how his legend became a national projection of Spanish identity one that was shaped by foreign hands and even manipulated into propaganda by the country s most recent dictator Francisco Franco Through detailed analysis Beck unsettles the presumption that chivalric masculinity dominated the Cid s visualization and points to how women were represented with increasing modesty as readerships became younger in modern times An unprecedented exploration of Spanish visual history *Illustrating El Cid 1498 to Today* yields thought provoking insights about the powerful ways in which illustration shapes representations of gender identity and ethnicity      *Poem of the Cid* Ramón Menéndez Pidal,1975
