Lotería Elizabeth Torres, 2023-02-28 The vision begins with a river From this river you can see a village marine life and ancestral rituals It is here that you recognize origins and a poison beginning to spread through paradise Suddenly a premonition a wounded animal The certainty of war cries What you take with you is what you become each movement a gamble a lottery of life that transforms you until this moment when uncertainty becomes an ally Loter a Nocturnal Sweepstakes is a collection of deeply evocative coming of age poems that take the reader on a voyage through the intimate experiences of displacement Conjuring dreamlike visions of extravagant fruits and rivers animated by the power of divination these poems follow the speaker from the lash of war's arrival through an urgent escape and reinvention in a land that saves with maternal instinct but also smothers its children In this bilingual collection Colombian American poet Elizabeth Torres threads together the stories of family dynamics and the realities of migration with the archetypes of tarot and the traditional Loter a game used for centuries as an object of divination and entertainment Through these themes and images the poems in Loter a narrate intimate moments in the lives and journeys of migrants refugees and all who have been forced into metamorphosis in order to reach the other side of the river *Spanish with Or Without a Master: pt. 1 Spanish text. pt. 2.
