Tristana Pablo Valdivia, 2016-09-22 *Tristana* is a novel where love hate and power converge into a triangle of domination and frustration Gald s following the ideas of the Free Teaching Institution intervened in the arena of the debate around the emancipation of women and their incorporation into the public sphere *Tristana* a young woman subjected to the rule of the tyrannical Don Lope idealistically tries to find her purpose on life but she ends trapped by the rules of a world dominated by men who only see her as the object of their desire Written in an experimental manner that defies the boundaries of theatre epistolary and novel genres Gald s displays the purest nature of his characters by presenting their contradictions weaknesses and virtues He uses a deliberately ambiguous style that seeks to address fundamental questions regarding the unbalances of a Madrid in times of turbulence but leaves the reader to draw their own meaning El último heredero A.
