Manual de Psicología Pastoral

Daniel Schipani, 2017-01-30 Este manual de acompañamiento pastoral se ha diseñado y escrito desde una cierta perspectiva de la psicología pastoral como campo de reflexión y práctica que suele entenderse de varias maneras diferentes. Por lo tanto al iniciar nuestro estudio es necesario aclarar en qué consiste el enfoque que se presenta en este libro. Para ciertos autores la psicología pastoral es el resultado de la contribución de la psicología en sus múltiples subdisciplinas a las diversas tareas del ministerio pastoral en sentido amplio. Otros aportes la presentan como la contribución de la psicología también en sus múltiples subdisciplinas aplicada especialmente al cuidado y el consejo también llamado asesoramiento o consejería pastoral tanto teórica como prácticamente. En ambos casos en consecuencia se tiende a ver a la psicología pastoral como una rama de la psicología y de la psicoterapia en particular en otras palabras se trataría de una subdisciplina psicológica especializada. La tercera manera de entender practicar y pensar a la psicología pastoral es como una subdisciplina de la teología pastoral o subordinada a esta la cual a su vez se comprende ya sea como sínimo o como una expresión de la teología práctica. Por último la psicología pastoral puede verse también como una disciplina híbrida es decir con dimensiones teóricas y prácticas que integran de maneras novedosas perspectivas y recursos de la psicología y de la teología pastoral. Como tal resulta ser una rama de la teología práctica en el sentido contemporáneo del término. Es esta última manera de considerar y trabajar en psicología pastoral la que caracteriza el contenido de este manual.

*Enfermedades crónicas y adherencia terapéutica* María José Martos Méndez, 2010-07-27 Este trabajo supone una exhaustiva revisión teórica llevada a cabo con objeto de determinar los factores psicosociales implicados en la adherencia a las prescripciones terapéuticas y de salud en pacientes crónicos. Desde el Grupo de investigación Psicología social Lenguajes y Comunicación se viene trabajando en este sentido con objeto de en última instancia diseñar actuaciones encaminadas a prevenir la enfermedad y promover la salud entre los pacientes con enfermedades crónicas o de larga duración. La importancia de las enfermedades crónicas en nuestros días es clara debido a que son dolencias que padecen un gran porcentaje de pacientes en la sociedad actual y por tanto es esencial que este tipo de enfermos tengan un control sobre su salud y su propia enfermedad. De forma más específica el presente trabajo centra sus intereses en el apoyo social percibido por los pacientes crónicos.

nicos y describe las distintas vías de incidencia sobre la adherencia al tratamiento del enfermo Al mismo tiempo pretende indagar en qué medida esta variable de apoyo en su medida amplia definición y con sus múltiples componentes influye sobre la salud general y el bienestar psicológico

**Medicina interna en obstetricia. Abordaje diagnóstico-terapéutico** Nikos Christo Secchi Nicolás, Alfredo Cabrera Rayo, Ramón Jesús Barrera Cruz, 2024-12-16 Hablar de medicina interna en la obstetricia no equivale a una suma algebraica de los conocimientos de ambas disciplinas La esencia estriba en sus interacciones en sus complejidades en sus repercusiones Por ejemplo el embarazo como terreno para la enfermedad incidental como predisposición a trastornos específicos como riesgo singular para afecciones que de otro modo serían menos trascendentes como visión ante la particularidad de dos pacientes simultáneos e interactuantes las influencias recíprocas entre enfermedad y embarazo el enmascaramiento y la modificación de los sentimientos las limitaciones para la aplicación de procedimientos diagnósticos convencionales la modificación que sufre la farmacología a los riesgos adicionales de procedimientos diagnósticos y terapéuticos cambios en los indicadores de mejoría o agravamiento son algunas de las peculiaridades de la medicina interna en este tipo de pacientes La necesidad de un texto que recopile y sistematice este conocimiento se ilustra en la extensión de este libro y la visión de los autores que tal vez en algún momento han de haber experimentado su carencia
