Ecstasys Paradise:

Generation Ecstasy Simon Reynolds, 2013-06-19 Traces the continuum of hardcore that runs from the most machinized forms of house music through British and European rave styles like bleep and bass breakbeat house Belgian hardcore jungle gabba speed garage and big beat *The Agony of Ecstasy* Olivia Gordon, 2006-06-19 A story of a young person's experience of the drug ecstasy and how she emerged from her dark night into a new life After a description of the highs the author gives an account of her first euphoric trip a flashback to childhood a sensation of the whole of life flashing before her and the depression that followed **Death, Ecstasy, and Other Worldly Journeys** John J. Collins, Michael Fishbane, 1995-03-09 Belief in a spirit world and a blissful or agonizing afterlife is one of the most pervasive and deeply rooted characteristics of religion This volume offers a wide ranging exploration of this basic religious theme Most of the case studies are drawn from Jewish and Christian tradition providing in depth coverage of Judaism and Christianity from late Antiquity through the Medieval period There are also examples from Islamic Japanese and Chinese traditions for a comparative perspective with Western traditions Several chapters deal with the formative period of Jewish and Christian apocalypticism which is concerned not only with the end of the physical world but also with the eternal heavenly world These chapters are also important for illustrating the development of mysticism in Western traditions The most distinctive aspect of this book is that it does not deal with antiquity alone but juxtaposes the historical essays with a survey of modern day near death experiences It raises issues of fundamental importance for the psychology of religion as well as for its history The most distinctive aspect of this book is that it does not deal with antiquity alone but juxtaposes the historical essays with a survey of modern day near death experiences It raises issues of fundamental importance for the psychology of religion as well as for its history

Love is the only wine of ecstasy whoever drinks becomes immortal in the realm of passion In the ultimate seeking of Beloved when the cup of wine is drunk there remains no thought apart from His Glance and Seeking Wine is not only word when used in poetry it multiplies a supernatural sense The Wine of Ecstasy always contains different meanings and sometimes don t have any meaning but is meant to be felt and observed within through deep awareness A seeker holds an empty cup till the Beloved fills it with wine of Love The more it s drunk the more thirst grows Therefore a soul is wistful to dissolve in Passion of Beloved completely he wants to dye himself in it s color and give taste of love Before one reads these it is vital to be aware about it s signs and depth about the path where it leads to what it holds next One needs to be in love drink the wine of love and get ready to wane itself **Lost Ecstasy** June McDaniel,2018-06-26 This book is a study of religious ecstasy and the

ways that it has been suppressed in both the academic study of religion and in much of the modern practice of religion It examines the meanings of the term how ecstatic experience is understood in a range of religions and why the importance of religious and mystical ecstasy has declined in the modern West June McDaniel examines how the search for ecstatic experience has migrated into such areas as war terrorism transgression sexuality drug use and anti institutional forms of spirituality She argues that the loss of religious and mystical ecstasy as both a religious goal and as a topic of academic study has had wide ranging negative effects She also proposes that the field of religious studies must go beyond criminalizing trivializing and pathologizing ecstatic and mystical experiences Both religious studies and theology need to take these states seriously as important aspects of lived human experience *Paul in Ecstasy* Colleen Shantz,2009-04-27 Colleen Shantz

addresses the role of religious experience in Paul's life and letters demonstrating its importance in Christian origins
