Walker,2021-11-01 Our world changed five years ago and it left behind this gaping hole in our relationship We were now trying to figure out a way to move past a tragedy without losing ourselves in the process Married with a son we needed to communicate but neither of us wanted to talk about our loss Instead we focused on our little boy Finally after having had enough we took a trip learned new things about each other and fell into an even deeper kind of love We revealed new truths about one another and because of that we could come out of this stronger in the end Author note With You is part of the Perfectly Stated Series but Meadow and Shade can originally be found in With Us book 2 in The Next Generation Series With You is a continuation of their story and is 5 years after With Us takes place     **Beyond the Storm** Rodney Bartlett,2012-05-10 It is 1867 and twenty three year old Shade McDonald is ready for a change After spending the last few years serving in the Civil War Shade has his

sights set on marrying a good woman settling on the family farm in Kentucky and raising a family Unfortunately the only companions he has right now are a revolver a rifle and a strawberry roan named Rex As he trudges along a hot dusty road in southeastern Texas headed toward his future Shade has no idea that trouble is not finished with him yet Happily reunited with his family on a Texas ranch Shade busies himself with learning the business of working and raising cattle Yet within the dark recesses of his mind something is casting a shadow on all that is good and it is as ominous as a squall line As a threat lurks in the distance Shade must learn to rely on his past experiences to prepare for the uncertain road that lies ahead Shade must leave all he loves to right a wrong As he goes on a dangerous mission to find two culprits driven by evil intentions he must summon the courage he learned on the battlefield to save not only his family but also his own life **Second Nature**
