Fighting Rabbis Jewish Military Chaplains And American History

Albert I Slomovitz

Fighting Rabbis Jewish Military Chaplains And American History:

The Fighting Rabbis Albert I. Slomovitz, 1999 Slomovitz refutes the common belief that the U S military itself has been a hostile place for Jews in the process providing a unique perspective on American religious history

The Fighting Rabbis Albert I Slomovitz, 1998-11-01 Reveals the significant and sometimes heroic roles rabbis have played in our nation s defense Rabbi Elkan Voorsanger received the Purple Heart for his actions during the Battle of Argonne Chaplain Edgar Siskin serving with the Marines on Pelilu Island conducted Yom Kippur services in the midst of a barrage of artillery fire Rabbi Alexander Goode and three fellow chaplains gave their own lifejackets to panicked soldiers aboard a sinking transport torpedoed by a German submarine and then went down with the ship American Jews are not usually associated with warfare Nor for that matter are their rabbis And yet Jewish chaplains have played a significant and sometimes heroic role in our nation s defense The Fighting Rabbis presents the compelling history of Jewish military chaplains from their first service during the Civil War to the first female Jewish chaplain and the rabbinic role in Korea Vietnam and Desert Storm Rabbi Slomovitz himself a Navy chaplain opens a window onto the fieldwork religious services counseling and dramatic battlefield experiences of Jewish military chaplains throughout our nation s history From George Washington s early support for a religiously tolerant military to a Seder held in the desert sands of Kuwait these rabbis have had a profound impact on Jewish life in America Also striking are original documents which chronicle the ongoing care and concern by the Jewish community over the last 140 years for their fellow Jews including many new immigrants who entered the armed forces Slomovitz refutes the common belief that the U S military itself has been a hostile place for Jews in the process providing a unique perspective on American religious history

The Fighting Rabbis Albert Isaac Slomovitz, 1995

Military Chaplains and Religious Diversity Kim Philip Hansen, 2012-09-25 Based on extensive in depth interviews with more than thirty active duty chaplains regarding their successes failures and conflicts the book is about the way military chaplains handle religious diversity among the enlisted they serve and within their own corps

Religion in Uniform Edward Waggoner, 2019-10-03 Religion in Uniform argues powerfully that Americans must reform their military s chaplaincy Americans fund this public project to serve all persons in the armed forces but the chaplaincy currently fails to do so Waggoner shows that Americans support for keeping chaplain positions in the military has always rested on a mix of political military and religious rationales that continue to evolve He argues political military and theological reasons to eradicate bias gender discrimination and sexual violence in the chaplain corps and to stop the use of chaplains in strategic roles abroad Acknowledging that Christian groups are providing the strongest support for the chaplaincy s status quo Waggoner contests the specific theological claims that underwrite their policies He launches a new critical and constructive discussion about US military religion for the twenty first century

We Are Coming, Unafraid Michael Keren, Shlomit Keren, 2010-09-16 This book tells the little known stories of three all Jewish battalions formed in the British army as part of the Allies Middle East campaign recruiting soldiers from

the United States Canada England and Argentina Many of the soldiers ranging widely in education level social class and combat experience were displaced immigrants or children of such immigrants Together they coalesced into the all Jewish battalions the liberators of the Promised Land The ranks of the Jewish Legions included some who would become prominent leaders such as David Ben Gurion Israel s first prime minister and Yitzhak Ben Zvi Israel s second president however this book focuses on the experiences of ordinary soldiers who served alongside them Drawing on diaries memoirs and letters the book follows their journey at sea through unrestricted submarine warfare by trains and trucks through Europe Egypt and Palestine and their battlefield experiences The authors show how these Yiddish speaking young men forged a new kind of soldier identity with unique Jewish features as well as an evolving sense of nationalism Jewish Life and Culture in Germany after 1945 Katrin Keßler, Sarah M. Ross, Barbara Staudinger, Lea Weik, 2022-08-22 How was the re emerging Jewish religious practice after 1945 shaped by traditions before the Shoah To what extent was it influenced by new inspirations through migration and new cultural contacts By analysing objects like prayer books musical instruments Torah scrolls audio documents and prayer rooms this volume shows how the post war communities created new Jewish musical architectural and artistic forms while abiding by the tradition This peer reviewed volume presents contributions to the conference Jewish communities in Germany in Transition held in July 2021 as well as the results of a related research project carried out by two university institutions and two museums the Bet Tfila Research Unit for Jewish Architecture Technische Universit t Braunschweig the European Center for Jewish Music Hanover University for Music Drama and Media the Braunschweigisches Landesmuseum and the Jewish Museum Augsburg Swabia For the first time post war synagogues in Germany and their objects were researched on a broad and interdisciplinary basis regarding history of architecture art history of their furniture and ritual objects as well as liturgy and musicology The project was funded by the Federal Ministry of Education and Research BMBF during the years 2018 to 2021 in its funding line The Language of Objects **True to My God and Country** Françoise S. Ouzan, 2024-02-06 True to My God and Country explores the role of the more than half a million Jewish American men and women who served in the military in the Second World War Patriotic Americans determined to fight they served in every branch of the military and every theater of the war Drawing on letters diaries interviews and memoirs True to My God and Country offers an intimate account of the soul searching carried out by young Jewish men and women in uniform Ouzan highlights in particular the selflessness of servicewomen who risked their lives in dangerous assignments Many GIs encountered antisemitism in the American military even as they fought the evils of Nazi Germany and its allies True to My God and Country examines how they coped with anti Jewish hostility and reveals how their interactions with Jewish communities overseas reinforced and bolstered connections to their own American Jewish identities **The Last Generation of the German Rabbinate** Cornelia Wilhelm, 2024 After the Nazi seizure of power on January 30 1933 over 250 German rabbis rabbinical scholars and students for the rabbinate fled to the United States The Last

Generation of the German Rabbinate follows their lives and careers over decades in America Although culturally uprooted the group's professional lives and intellectual leadership particularly those of the younger members of this group left a considerable mark intellectually socially and theologically on American Judaism and on American Jewish congregational and organizational life in the postwar world Meticulously researched and representing the only systematic analysis of prosopographical data in a digital humanities database *The Last Generation of the German Rabbinate* reveals the trials of those who had lost so much and celebrates the legacy they made for themselves in America *American Jewry* Eli Lederhendler, 2017 In the United States Jews have bridged minority and majority cultures their history illustrates the diversity of the American experience **One of Thousands: A Navigator in the European Air War** Frederick Fooy, 2015-04-06 Jules Julie Lasner volunteered for service after the United States entered World War II and he was trained as a navigator in a B 17 Flying Fortress Lasner flew twenty seven missions over occupied Europe during the final phases of a strategic bombing campaign against Germany dodging the Luftwaffe's anti aircraft defenses in the cold wintry skies Based on interviews with Lasner as well as his wartime correspondence this book offers a glimpse into his experiences as a member of the 8th Air Force Along with thousands of others he pounded the Third Reich around the clock in a four engine bomber over the last eight months of the war This account offers an insider's look into the state of the German air defenses as well as some of the effects of the strategic bomb offensive Lasner's story shows that one person's experiences and decisions affect many people and it also reveals how he was affected by total war Go beyond the statistics that so often dehumanize conflict with *One of Thousands* **Jewish Soldiers in the Collective Memory of Central Europe** Gerald Lamprecht, Eleonore Lappin-Eppel, Ulrich Wyrwa, 2019-04-15 World War I marks a huge break in Central European Jewish history Not only had the violent wartime events destroyed Jewish life and especially the living space of Eastern European Jews but the impacts of war the geopolitical change and a radicalization of anti-Semitism also led to a crisis of Jewish identity Furthermore during the process of national self discovery and the establishing of new states the societal position of the Jews and their relationship to the state had to be redefined These partially violent processes which were always accompanied by anti-Semitism evoked Jewish and Gentile debates in which questions about Jewish loyalty to the old and or new states as well as concepts of Jewish identity under the new political circumstances were negotiated This volume collects articles dealing with these Jewish and gentile debates about military service and war memory in Central Europe **The Jewish Experience of the First World War** Edward Madigan, Gideon Reuveni, 2018-11-27 This book explores the variety of social and political phenomena that combined to make the First World War a key turning point in the Jewish experience of the twentieth century Just decades after the experience of intense persecution and struggle for recognition that marked the end of the nineteenth century Jewish men and women across the globe found themselves drawn into a conflict of unprecedented violence and destruction The frenzied military social and cultural mobilisation of European societies between 1914 and 1918 along with the outbreak of

revolution in Russia and the collapse of the Ottoman Empire in the Middle East had a profound impact on Jewish communities worldwide The First World War thus constitutes a seminal but surprisingly under researched moment in the evolution of modern Jewish history The essays gathered together in this ground breaking volume explore the ways in which Jewish communities across Europe and the wider world experienced interpreted and remembered the war to end all wars

Democracy by Petition Daniel Carpenter,2021-05-04 Petitioning has a forgotten but essential role in the history of modern democracy In the antebellum era petitions gave North Americans especially the disenfranchised a critical tool to shape the political agenda Daniel Carpenter shows how mass petitioning facilitated civil rights voting organizing and other advances in liberty and equality

The Oxford Dictionary of the Jewish Religion Adele Berlin,2011 Hailed by Library Journal as the best ready reference access point to the Jewish religion and as essential by CHOICE in its First Edition The Oxford Dictionary of the Jewish Religion has been the go to resource for students scholars and researchers in Judaic Studies since its 1997 publication Now The Oxford Dictionary of the Jewish Religion Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the First Edition including the growing trend of baby naming ceremonies and the founding of gay lesbian synagogues Under the editorship of Adele Berlin nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies biographies of 20th century individuals who have shaped the recent thought and history of Judaism and an index with alternate spellings of Hebrew terms Entries from the previous edition have been revised new entries commissioned and cross references added all to increase ease of navigation research The Dictionary covers more than three millennia of Jewish religious thought custom law and practice from traditional approaches to Reform Conservative Reconstructionist and post denominational Judaism Brief definitions and longer essays all supplemented with bibliographies enlighten readers about the major figures folklore and events in the history of Judaism throughout the world

For Courageous Fighting and Confident Dying Warren Bruce Armstrong,1998 When soldiers in the Civil War called on their religious beliefs in order to cope with the horrors of battle many looked to the regimental chaplain for guidance and understanding Clergy were always present to address the spiritual needs of the common soldier and administer to the wounded and dying But as Warren Armstrong shows military chaplains provided more than comfort In a country profoundly shaped by religion each side adapted its version of Christianity to support its political views This book documents the role played by Union chaplains in making better soldiers and supporting the North s military efforts These ministers in uniform focused on preserving the Union and reminding soldiers that slavery was the central issue in the war preaching the righteousness of abolition in services held in the mud of campgrounds and often serving as advocates for freedmen Armstrong has drawn on a wide range of documents to explain the duties of Union chaplains and differentiate them from their Southern counterparts He examines the organization of the chaplaincy and reviews its manuals for guidelines on such matters as cultivating desirable character traits and building

makeshift churches He also sheds light on the personalities of the men who served examines their attitudes toward the war and assesses their unofficial role as morale officers for the Union army Wherever possible Armstrong uses chaplains letters diaries and written reports to explain their thoughts and actions in their own words His book is narrative history with a richly human element including such episodes as a chaplain who took a fallen soldier's place and died in battle and two chaplains of different faiths who slept together for warmth on a cold winter night at Fredericksburg Before the Civil War the need for a military chaplaincy had been challenged on the grounds of separation of church and state but the valiant service of chaplains during that conflict helped prove their worth and establish a lasting military tradition In relating their story Armstrong's work faithfully documents the contributions chaplains made both to the Union victory and to the form that victory took

New Jewish Feminism Rabbi Elyse Goldstein, 2012-06-28 Jewish Feminism What Have We Accomplished What Is Still to Be Done When you are in the middle of the revolution you can't really plan the next steps ahead But now we can The book is intended to open up a dialogue between the early Jewish feminist pioneers and the young women shaping Judaism today Read it use it debate it ponder it from the Introduction This empowering anthology looks at the growth and accomplishments of Jewish feminism and what that means for Jewish women today and tomorrow It features the voices of women from every area of Jewish life the Reform Reconstructionist Conservative Orthodox and Jewish Renewal movements rabbis congregational leaders artists writers community service professionals academics and chaplains from the United States Canada and Israel addressing the important issues that concern Jewish women Women and Theology Women Ritual and Torah Women and the Synagogue Women in Israel Gender Sexuality and Age Women and the Denominations Leadership and Social Justice GI Jews Deborah Dash MOORE, Deborah Dash Moore, 2009-06-30 Whether they came from Sioux Falls or the Bronx over half a million Jews entered the U S armed forces during the Second World War Uprooted from their working and middle class neighborhoods they joined every branch of the military and saw action on all fronts Deborah Dash Moore offers an unprecedented view of the struggles these GI Jews faced having to battle not only the enemy but also the prejudices of their fellow soldiers Through memoirs oral histories and letters Moore charts the lives of fifteen young Jewish men as they faced military service and tried to make sense of its demands From confronting pork chops to enduring front line combat from the temporary solace of Jewish worship to harrowing encounters with death camp survivors we come to understand how these soldiers wrestled with what it meant to be an American and a Jew Moore shows how military service in World War II transformed this generation of Jews reshaping Jewish life in America and abroad These men challenged perceptions of Jews as simply victims of the war and encouraged Jews throughout the diaspora to fight for what was right At the same time service strengthened Jews' identification with American democratic ideals even as it confirmed the importance of their Jewish identity GI Jews is a powerful intimate portrayal of the costs of a conflict that was at once physical emotional and spiritual as well as its profound consequences for these hitherto overlooked members of the greatest generation Spiritual Care

Wendy Cadge, 2022-11-24 Chaplains are America's hidden religious leaders Required in the military federal prisons and Veterans Administration Medical Centers chaplains also work in two thirds of hospitals most hospices many institutions of higher education and a growing range of other settings The chaplains of the U S House and Senate regularly engage with national leaders through public prayer and private conversation Chaplains have been present at national protests including the racial justice protests that took place across the country in 2020 A national survey conducted in the United States in 2019 found that 21% of the American public had contact with a chaplain in the prior two years Contact with chaplains likely increased with the COVID 19 pandemic which thrust chaplains into the spotlight as they cared for patients family members and exhausted and traumatized medical staff fighting the pandemic in real time Wendy Cadge steps back to ask who chaplains are what they do across the United States how that work is connected to the settings where they do it and how they have responded to and helped to shape contemporary shifts in the American religious landscape She focuses on Boston as a case study to show how chaplains have been and remain an important part of institutional religious ecologies both locally and nationally She has combed through the archives of major Boston institutions including the city government police and fire department hospitals universities rest and rehabilitation centers the Catholic church and several Protestant denominations as well as the Boston Globe to chart the work of chaplains historically Cadge also interviewed over one hundred chaplains who work in greater Boston and shadowed them whenever possible going on board container ships walking through homeless shelters and attending religious services at local prisons The result is a rich study of a little noticed but essential group of religious leaders

The GI's Rabbi David Max Eichhorn, 2004 Eichhorn also writes of French villagers hiding Jews of the dangers faced by chaplains of the place of Jews in U S Army ranks and of General Patton's well known displays of anger Throughout he conveys the experience of war and how it altered forever a small town rabbi a man of faith and courage who never fired a gun in combat Jacket

Embracing the Song of Phrase: An Psychological Symphony within **Fighting Rabbis Jewish Military Chaplains And American History**

In a world used by screens and the ceaseless chatter of fast connection, the melodic splendor and emotional symphony developed by the written word usually fade in to the backdrop, eclipsed by the persistent noise and distractions that permeate our lives. But, located within the pages of **Fighting Rabbis Jewish Military Chaplains And American History** a charming fictional value full of fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that captivating masterpiece conducts readers on a psychological journey, skillfully unraveling the hidden melodies and profound influence resonating within each carefully crafted phrase. Within the depths with this moving analysis, we shall explore the book is central harmonies, analyze its enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
