Dictionary of American Naval Fighting Ships United States. Naval History Division, 1976 **Fighting Ships and Seamen....** Donald George Frederick Wyville McIntyre (marin.), 1963 **Ships, Money and Politics** Kenneth R. Andrews, 1991-04-26 In neglecting maritime and naval matters students of the reign of Charles I have missed or misunderstood important elements in the sickness of the early Stuart polity The crisis of the monarchy at that time was bound up with the failure of the nation's sea forces in the wars of the 1620s and with Charles's efforts to reform and strengthen the navy by means of ship money The studies of the shipping industry shipowning mutiny and one particular seaman's experience in the transatlantic servant's trade explore the economic and social aspects of seafaring especially the relations between owners masters and men at a time of rapid growth and change in the merchant marine But the relations between the merchant marine and the Royal Navy were so close that the two should be studied together The essays on Sir Kenelm Digby's privateering venture in the Mediterranean on ship money the longest and most central on the expedition against the Salé rovers and on the Parliamentary Navy demonstrate in different ways how naval policy naval finance and naval enterprise were linked with the problems and the interests of the private sector which actually took over the Navy in 1642 with not altogether savory results This novel juxtaposition of topics will it is hoped stimulate new thinking about Caroline society and politics Book jacket *Merchant Seamen's Health, 1860-1960* ,2014 *The Seamen's Journal* ,1926
