Figure Of The Poet In Renaissance Epic:

The Figure of the Poet in Renaissance Epic Robert M. Durling, 1996 **The Figure of the Poet in Renaissance Epic** Robert Marlowe Durling, 19?? The Christian Poet in Paradise Lost William G. Riggs, 1972 As aspect of Paradise Lost that most readers respond to is Milton's presence in the poem a presence felt not only in the epic invocations and the other direct intrusions of the poet's voice but also in the shape and texture of the narrative itself I wish here to examine this presence and to argue that the epic characters of Milton's poem are drawn with continued reference to the poet as he is portrayed in the four lyrical prologues from Introduction Boiardo's Orlando Innamorato Jo Ann Cavallo, 1993 Jo Ann Cavallo challenges the traditional tendency to view the Orlando Innamorato as pure entertainment and argues instead that the poem embodies the principal elements of fifteenth century Humanist poets **Chaucer's Narrators** David Lawton, 1985 The book begins with a brief prefatory discussion of its relation to structuralist and post structuralist criticism The first chapter Apocryphal Voices surveys the basis of modern critical approaches to persona and irony in Chaucer's poetry and suggests that such approaches are better suited to unequivocally written contexts A systematic hesitation between a wholly written and a wholly spoken context requires critical distinctions between types of persona and a number of distinctions in the range between persona and voice Morality in its Context examines the Pardoner and his tale and argues against a dramatic view of the tale itself while the third chapter Chaucer's Development of Persona is a study of possible sources for Chaucer's handling of the narratorial 1 looking at the English disour the French dits amoureux Italian and Latin sources of influence and the Roman de la Rose The last two chapters apply the principles outlined so far to Troilus and The Canterbury Tales with a particular examination of the literary history of the Squire's tale to show that modern interest in dramatic persona has obscured many other important issues and leads to drastic misreading This is a challenging and lucid work which questions many of the received attitudes of recent Chaucer criticism and offers a reasoned and approachable alternative view The Soledades, Góngora's Masque of the Imagination Marsha Suzan Collins, 2002 Prince of Darkness or Angel of Light The pastoral masterpiece the Soledades garnered both titles for its author Luis de Góngora one of Spain's premier poets In The Soledades Góngora's Masque of the Imagination Marsha S Collins focuses on the brilliant seventeenth century Spanish poet's contentious work of art The Soledades have sparked controversy since they were first circulated at court in 1612 1614 and continue to do so even now as Góngora has become for some critics the poster child of postmodernism These perplexing 2 000 plus line pastoral poems garnered endless debates over the value and meaning of the author's enigmatic challenging poetry and gave rise to his reputation causing his very name to become an English term for obscurity Collins views these controversial poems in a different light as a literary work that is a product of European court culture A Critical Companion to Spenser Studies Bart Van Es, 2005-11-30 This book provides an authoritative guide to debate on Elizabethan England's poet laureate It covers key topics and provides histories for all of the primary texts Some of

today's most prominent Spenser scholars offer accounts of debates on the poet from the Renaissance to the present day

Essential for those producing new research on Spenser Spenser's Supreme Fiction Jon A. Quitslund, 2001-01-01 In *Spenser's Supreme Fiction* Jon A. Quitslund offers a rich analysis of *The Faerie Queene* and of several texts contributing to the revival of Platonism stimulated by Marsilio Ficino's labours as a translator and interpreter of Plato and the ancient Neoplatonists To the old issue of the scope and character of Spenser's Platonism Quitslund brings fresh insights from contemporary views on gender and identity intertextuality and the centrality of fiction within all aspects of Renaissance culture He argues that Spenser sought authority for his poem by grounding its narrative in a divinely ordained natural order intelligible in terms derived from the ancient sources of poetry and philosophy Passages central to the poet's world making project are shown to be intertextually linked to Book VI of the *Aeneid* and to Plato's *Symposium* regarded in the commentaries of Landino and Ficino as explanations of the gentile *prisca theologia* a cosmology parallel to the tenets of Christianity The first half of the book examines Spenser's representation of the macrocosm and its replication in human nature's lesser world in the light of divergent tendencies within humanism The legacy of Plato is shown to be especially important in the esoteric tradition which made the province of natural philosophy part of the soul's itinerary back to its otherworldly origins In the second half *The Faerie Queene* is interpreted as an unfolding pattern the dynamic order of nature is flawed but not fallen and seen against that background human culture contains in its myths and images both corruptions of natural impulses and aspirations to transcend the limits imposed by mortality ***Inferno*** Allen Mandelbaum, Anthony Oldcorn, Charles Ross, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 *Lectura Dantis* Allen Mandelbaum, Anthony Oldcorn, Charles Stanley Ross, 1998 The California *Lectura Dantis* is the long awaited companion to the three volume verse translation by Allen Mandelbaum of Dante's *Divine Comedy* Mandelbaum's translation with facing original text and with illustrations by Barry Moser has been praised by Robert Fagles as exactly what we have waited for these years a Dante with clarity eloquence terror and profoundly moving depths and by the late James Merrill as lucid and strong with rich orchestration overall sweep and felicity and countless free brilliant utterly Dantesque strokes Charles Simic called the work a miracle A lesson in the art of translation and a model an encyclopedia for poets The full range and richness of American English is displayed as perhaps never before This collection of commentaries on the first part of the *Comedy* consists of commissioned essays one for each canto by a distinguished group of international scholar critics Readers of Dante will find this *Inferno* volume an enlightening and indispensable guide the kind of lucid commentary that is truly adapted to the general reader as well as the student and scholar ***Cervantes, Aristotle, and the Persiles*** Alban K. Forcione, 2015-03-08

Any student of Cervantes literary production must at some point take into account the theories that inspired the plan and creation of *Los Trabajos de Persiles y Sigismunda* for of all Cervantes works it is the one most directly related to the author's awareness of literary theory This volume in attempting to clarify the *Persiles* traces the major influences reflected in the Renaissance literary theories which inspired it examines Cervantes ambivalent attitude toward those theories as revealed in his works and provides a close examination of the structure of the *Persiles* Originally published in 1970 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Dante and the Making of a Modern Author Albert Russell Ascoli, 2008-03-13 Leading scholar Albert Russell Ascoli traces the metamorphosis of Dante Alighieri minor Florentine aristocrat political activist and exile amateur philosopher and theologian and daring experimental poet into Dante author of the *Divine Comedy* and perhaps the most self consciously authoritative cultural figure in the Western canon The text offers a comprehensive introduction to Dante's evolving transformative relationship to medieval ideas of authorship and authority from the early *Vita Nuova* through the unfinished treatises *The Banquet* and *On Vernacular Eloquence* to the works of his maturity *Monarchy* and the *Divine Comedy* Ascoli reveals how Dante anticipates modern notions of personalized creative authorship and the phenomenon of Renaissance self fashioning Unusually the book examines Dante's career as a whole offering an important point of access not only to the Dantean oeuvre but also to the history and theory of authorship in the larger Italian and European tradition

Ovid's Changing Worlds Raphael Lyne, 2001 Ovid's *Changing Worlds* looks at the four most important English imitations of Ovid's *Metamorphoses* in the English Renaissance It sheds new light on dealings with the classics in the period and shows that the emergence of English literature from the shadows was a complex and fascinating process

Time and the Crystal Robert M. Durling, Ronald L. Martinez, 2024-06-28 The *Rime petrose* Dante's powerful lyrics about a woman as beautiful and as hard as a precious stone are generally acknowledged to be an important moment in his stylistic development In this full length investigation of the poetics of the *petrose* and of their relation to *The Divine Comedy* Robert M Durling and Ronald L Martinez uncover new material especially from medieval science astrology and mineralogy philosophy and theology The authors argue that the *Rime petrose* represent a major turning point in Dante's conception of a microcosmic poetics that became the fundamental mode of the *Commedia* They demonstrate how Dante here attempts his first full account of his relation to the universe as a whole This work offers many insights into the intrinsic significance of these remarkable poems and their place in Dante's development Especially far reaching are the implications for the interpretation of *The Divine Comedy* *Time and the Crystal* will interest not only students of Dante but also intellectual historians historians of science

students of poetics and poetic theory and all those interested in medieval literature This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand *Cervantes the Poet* Gabrielle Ponce-Hegenauer,2023-05-25

Cervantes the Poet travels from the court of Isabel de Valois to Rome Naples Palermo Algiers and Madrid s barrio de las letras Recovering Cervantes nearly forty year literary career before the publication of Don Quijote Gabrielle Ponce Hegenauer demonstrates the cultural literary and theoretical significance of Cervantes status as a late sixteenth century itinerant poet This study recovers the generative literary milieus and cultural practices of Spain s most famous novelist in order to posit a new theory of the modern novel as an organic transformation of lyric practices native to the late sixteenth century and Cervantes own literary outlook *The Theory of Inspiration* Timothy Clark,2000 Inspiration is a basic concept of western poetics and deserves reassessment with all the tools of modern literary theory **Encyclopedia of Italian Literary Studies: A-J** Gaetana Marrone,2007 Publisher description **Imperial Tapestries** Julia L. Farmer,2016-07-26

Imperial Tapestries represents a transnational approach to questions of monarchical power and literary form in early modern Europe In line with Barbara Fuchs s recent call for considerations of center versus periphery in Old World contexts it explores the ways in which some of the most significant authors of the early modern era questioned the structures of Spanish Habsburg authority through imperial texts texts that call attention to their organizational process in order to mirror authors perceptions of the structures of Habsburg power With a contextual basis in Fuchs notion of imperium studies ideas of self fashioning and theories of early modern reading the study explores the ways in which complex narrative forms in the early modern period reflected the concerns with the structures of Habsburg imperial power subtly portrayed within the narratives themselves A close reading of the various strands that form the tapestries of the texts at issue reveals a deep undercurrent of misgivings toward various manifestations of Spanish Habsburg power on the part of authors who had experienced its effects first hand Whether the complex narrative devices in question cast the Habsburg monarchs as monster misogynist sorceress aloof shepherdess or mad would be knight errant they all have one thing in common the spatialized forms that they create correspond directly with the ways in which the authors in question perceive the more disillusioning aspects of Habsburg hegemony Authors studied in the volume include Ludovico Ariosto Garcilaso de la Vega Jorge de Montemayor Miguel de Cervantes and Mar a de Zayas *Encyclopedia of Italian Literary Studies* Gaetana Marrone,Paolo Puppa,2006-12-26

The *Encyclopedia of Italian Literary Studies* is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The *Encyclopedia* is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The

Encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars

The Princeton Encyclopedia of Poetry and Poetics Stephen Cushman,Clare Cavanagh,Jahan Ramazani,Paul Rouzer,2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades The Princeton Encyclopedia of Poetry and Poetics has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time
