Figure Of Beatrice A Study In Dante:

The Figure of Beatrice Charles Williams,1994 Dante is unequalled among poets in conveying an extraordinary intensity of thought and experience but this very power may make his work seem formidable to approach Charles Williams s Figure of Beatrice is outstanding amongst Dante scholarship and criticism for the sympathetic enthusiasm and clarity with which he eases that approach without simplifying the achievement in a highly personal introduction to Dante s work The first half of the book traces the way in which the central image of Beatrice representing transcendent beauty in feminine form animates Dante s earlier works The second half richly expounds The Divine Comedy meditating on its significance in Dantesque terms Williams foreshadows the valuable modern emphasis on Dante as philosopher poet he also touches on many later concerns in Dante criticism including ambiguities of language the inherent self contradiction of all powerful discourse and the place of the feminine The Figure of Beatrice is also a moving and poetic work in its own right CHARLES WILLIAMS 1886 1945 is known to many as a prolific and unusual playwright novelist and critic his poetic works include Taliessin through Logres and The Region of the Summer Stars d poetic work in its own right CHARLES WILLIAMS 1886 1945 is known to many as a prolific and unusual playwright novelist and critic his poetic works include Taliessin through Logres and The Region of the Summer Stars d poetic work in its own right CHARLES WILLIAMS 1886 1945 is known to many as a prolific and unusual playwright novelist and critic his poetic works include Taliessin through Logres and The Region of the Summer Stars d poetic work in its own right CHARLES WILLIAMS 1886 1945 is known to many as a prolific and unusual playwright novelist and critic his poetic works include Taliessin through Logres and The Region of the Summer Stars *Figure of Beatrice* Charles Williams,2005-10 One of the most ambitious essays in the interpretation of Dante our time has seen his interpretation of the role of Beatrice is a subtle and individual one Charles Williams was one of the finest not to mention one of the most unusual theologians of the twentieth century His mysticism is palpable the unseen world interpenetrates ours at every point and spiritual exchange occurs all the time unseen and largely unlooked for His novels are legend and as a member of the Inklings he contributed to the mythopoetic revival in contemporary culture **The Figure of Beatrice: a Study in Dante** Charles William,2020-01-16 One of the most ambitious essays in the interpretation of Dante our time has seen his interpretation of the role of Beatrice is a subtle and individual one Charles Williams was one of the finest not to mention one of the most unusual theologians of the twentieth century His mysticism is palpable the unseen world interpenetrates ours at every point and spiritual exchange occurs all the time unseen and largely unlooked for His novels are legend and as a member of the Inklings he contributed to the mythopoetic revival in contemporary culture **The Figure of Beatrice, a Study in Dante, by Charles Williams** Charles Williams,1943 **Figure of Beatrice, The** Charles Williams,1978 *The Figure of Beatrice: a Study in Dante: Large Print* Charles William,2020-01-16 One of the most ambitious essays in the interpretation of Dante our time has seen his interpretation of the role of Beatrice is a subtle and individual one Charles Williams was one of

Poetic Theology William A. Dyrness,2011 What are the poetics of everyday life What can they teach us about God Art music dance and writing can certainly be poetic but so can such diverse pastimes as fishing skiing or attending sports events Any and all activities that satisfy our fundamental need for play for celebration and for ritual says William Dyrness are inherently poetic and in Poetic Theology he demonstrates that all such activities are places where God is active in the world All of humanity s creative efforts Dyrness points out testify to our intrinsic longing for joy and delight and our deep desire to connect with others with the created order and especially with the Creator This desire is rooted in the presence and calling of God in and through the good creation With extensive reflection on aesthetics in spirituality worship and community development Dyrness s Poetic Theology will be useful for all who seek fresh and powerful new ways to communicate the gospel in contemporary society William Dyrness s bold invitation to a poetic theology shaped by Scripture tradition and imagination one luring us toward a fuller participation in beauty than argument or concept alone allow reminds us that truth itself is beautiful to behold and poetic to the core If poetry is in its deepest reflex an intensification of life then Dyrness s call for a poetic theology is one we ignore at our peril reminding us that faithful living is not only about proper thinking but also and perhaps more properly about the texture of our living and the quality of our loving Mark S Burrows Andover Newton Theological School Makes a strong case for aesthetics as one of the avenues used by God to draw human beings near to him and his glory A wonderful journey through Reformed spirituality and a wake up call for Reformed theology Cornelius van der Kooi Free University Amsterdam
