This is especially true in early Hollywood silent films where a character's appearance could show an immense number of different things about them. For example, Theda Bara's role in *A Fool There Was* 1915 was known for her revealing clothing, seductive appearance, and being the first Vamp. Wardrobe and costume design played a larger role in silent films than in modern movies. The character's clothes told the audience who they were and what their role was in the movie. In this in-depth analysis, the author provides examples and explanations about noteworthy characters who used their appearance to further their fame. **Jesse James and the Movies** Johnny D. Boggs, 2014-01-10. Among the films and actors covered are Jesse James 1939 with Tyrone Power, *Kansas Raiders* 1950 with Audie Murphy, *The Great Northfield Minnesota Raid* 1972 with Robert Duvall, and *The Assassination of Jesse James by the Coward Robert Ford* 2007 with Brad Pitt. Each evaluation compares Hollywood's version of history to the hard facts. A brief biography of the outlaw provides an overview of his life and career. Also examined are European films, made-for-television movies, and continuing TV series that have featured episodes involving Jesse James. **Thrills Untapped** Michael R. Pitts, 2019-01-10. Giving deserved attention to nearly 150 neglected films, this book covers early sound era features, serials, and documentaries with genre elements of horror, science fiction, and fantasy from major and minor studios and independents. Iceberg*, *While the Patient Slept*, *The White Hell of Pitz Palu*, and many others. **Readings in Law and Popular Culture** Steven Greenfield, Guy Osborn, 2007-05-07. *Readings in Law and Popular Culture* is the first book to bring together high quality research with an emphasis on context from key researchers working at the cutting edge of both law and cultural disciplines. Fascinating and varied, the volume crosses many boundaries, dealing with areas as diverse as football, based computer games, *Buffy the Vampire Slayer*, digital sampling in the music industry, the films of Sidney Lumet, football hooliganism, and Enid Blyton. These topics are linked together through the key thread of the role of or the absence of law, therefore providing a snapshot of significant work in the burgeoning field of law and popular culture. Including important theoretical and truly innovative relevant material, this contemporary text will enliven and inform a legal audience and will also appeal to a much broader readership of people interested in this highly topical area. **Science Fiction Film Directors, 1895-1998** Dennis Fischer, 2011-12-14.
