men and women engaged with their environment Drawing on an extensive range of sources from newspapers and institutional records to oral histories and autobiography this book traces the movements of young people across space Exploring the relationship between the leisure lives of the young working class and urban space this book offers a sensitive reappraisal of working class youth and will be essential reading for historians of modern Britain *The Classic Novel* Erica Sheen, Robert Giddings, 2024-07-30 This book critically examines the long established tradition of adapting classic novels to film or TV screen An emerging area of interest the relationship between film and literature and the way cinema and television have translated classic novels into moving pictures from the 30s to the 90s A wide ranging but focused collection that is bang up to date and free of media jargon that looks at both the film and the book Includes discussion of *The English Patient* *Pride and Prejudice* and *Middlemarch* *Pickwick Papers* *Dracula* Dickens Conrad Hardy and Waugh *The Crash Controversy* Martin Barker, Jane Arthurs, Ramaswami Harindranath, 2001 Between 1996 97 an almost unprecedented campaign was mounted in the British press against on one film David Cronenberg s *Crash* What motivated this campaign What can it tell us about British film culture What impact did the campaign have on general audiences This book which draws on a year long investigation supported by the Economic and Social Research Council offers a series of important and challenging findings and is a major contribution to our understanding of censorship campaigns how audiences respond to films and the strategies employed in engaging with such texts *British Film Music and Film Musicals* K.

Donnelly, 2007-08-16 In the first book length consideration of the topic for sixty years Kevin Donnelly examines the importance of music in British film concentrating both on musical scores such as William Walton s score for *Henry V* 1944 and Malcolm Arnold s music for *The Bridge on the River Kwai* 1957 and on the phenomenon of the British film musical

British films of the 1970s Paul Newland, 2015-11-01 British films of the 1970s offers highly detailed and insightful critical analysis of a range of individual films of the period This analysis draws upon an innovative range of critical methodologies which place the film texts within a rich variety of historical contexts The book sets out to examine British films of the 1970s in order to get a clearer understanding of two things the fragmentary state of the filmmaking culture of the period and the fragmentary nature of the nation that these films represent It argues that there is no singular narrative to be drawn about British filmmaking in the 1970s other than the fact that these films offer evidence of a Britain and ideas of Britishness characterised by vicissitudes While this was a period of struggle and instability it was also a period of openings of experiment and of new ideas Newland looks at many films including *Carry On Girls* *O Lucky Man* *That ll be the Day* *The Shout* and *The Long Good Friday* *The Empire Strikes Back?* Andrew S. Thompson, 2014-09-11 *The Empire Strikes Back* will inject the empire back into the domestic history of modern Britain In the nineteenth century and for much of the twentieth century Britain s empire was so large that it was truly the global superpower Much of Africa Asia and America had been subsumed Britannia s tentacles had stretched both wide and deep Culture Religion Health Sexuality Law and Order were all impacted

in the dominated countries *The Empire Strikes Back* shows how the dependent states were subsumed and then hit back affecting in turn England itself

Idols of the Odeons Andrew Roberts, 2020-04-23 *Idols of the Odeons* examines British film stardom in the post war era a time when Hollywood movies were increasingly supplanting the Pinewood Elstree studio system The book encompasses the careers of sixteen actors including Stanley Baker Diana Dors Norman Wisdom Hattie Jacques Peter Finch and Peter Sellers Such extremely diverse careers provide the opportunity to explore overlooked films in addition to examining how the term star could apply to a stalwart leading man a Variety comic a self created Vamp and a character actor Above all this is a book that celebrates with idiosyncratic humour and warmth how these actors accomplished much of their best work during the transitional period between the Rank ABPC roster of stars and the US domination of the British film industry

International Noir Pettey Homer B. Pettey, 2014-11-11 Following World War II film noir became the dominant cinematic expression of Cold War angst influencing new trends in European and Asian filmmaking *International Noir* examines film noir's influence on the cinematic traditions of Britain France Scandinavia Japan Hong Kong Korea and India This book suggests that the film noir style continues to appeal on such a global scale because no other cinematic form has merged style and genre to effect a vision of the disturbing consequences of modernity International noir has however adapted and adopted noir themes and aesthetic elements so that national cinemas can boast an independent and indigenous expression of the genre Ranging from Japanese silent films and women's films to French Hong Kong and Nordic New Waves this book also calls into question critical assessments of noir in international cinemas In short it challenges prevailing film scholarship to renegotiate the concept of noir Ending with an examination of Hollywood's neo noir recontextualization of the genre and post noir's reinvigorating critique of this aesthetic *International Noir* offers Film Studies scholars an in depth commentary on this influential global cinematic art form further offering extensive bibliography and filmographies for recommended reading and viewing
