The Films of Charles & Ray Eames, Vol. 2 Charles (Director Eames (Producer, Writer))),2013 **The Films of Charles and Ray Eames** Eric Schuldenfrei,2014-12-05 The Films of Charles and Ray Eames traces the history of the Eameses work examining their evolution away from the design of mass produced goods and toward projects created as educational experiences Closely examining how the Eameses described their work reveals how the films and exhibitions they generated were completely at odds with the earlier objectives exemplified in their furniture designs Shifting away from promoting the consumer culture they turned their attention to the presentation of complex sets of scientific artistic and philosophical ideas During a critical period from the late 1950s to the early 1960s there was a moment of introspective self reflection in the West stemming from the events of the Cold War This moment of uncertainty was crucial for it provided the incentive to question the values and concerns of society as a whole In turn designers began to question their own sense of purpose temporarily expanding the purview of design to a broader field of inquiry In the case of the Eameses they identified an overriding problem related to consumerism and excess in America and sought to resolve the issue by creating a network of communication between universities governments institutions and corporations The solution of promoting greater education experiences as an alternative to consumerism in America required that different sectors of society functioned in unison to address political social economic and educational concerns The Films of Charles and Ray Eames reconsiders how design intersects with humanity culture and the sciences **A Dictionary of the Avant-Gardes** ,2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture *Screening Race in American Nontheatrical Film* Allyson Nadia Field,Marsha Gordon,2019-11-15 The contributors to Screening Race in American Nontheatrical Film examine the place and role of race in educational films home movies industry and government films anthropological films church films and other forms of noncommercial filmmaking throughout the twentieth century Doug Pratt's DVD Douglas Pratt,2004-10 The ultimate guide to DVD by the world s leading authority on the medium America's Film Legacy Daniel Eagan,2010-01-01 Collection of the five hundred films that have been selected to date for preservation by the National Film Preservation Board and are thereby listed in the National Film Registry The Films of Charles & Ray Eames Charles; Eames Eames (Ray),1990 The Films of Charles & Ray Eames Charles; Eames Eames (Ray),1990
