Stewart, 2018-01-01 *Reconsidering Boccaccio* explores the exceptional social geographic and intellectual range of the Florentine writer Giovanni Boccaccio his dialogue with voices and traditions that surrounded him and the way that his legacy illuminates the interconnectivity of numerous cultural networks *Italian Literature before 1900 in English Translation* Robin Healey, 2011-12-15 *Italian Literature before 1900 in English Translation* provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008 It lists works from all genres and subjects and includes translations wherever they have appeared across the globe In this annotated bibliography
