Smith, 2011-11-14 The year 1998 marked the quincentennial of the publication of Albrecht Durer's illustrated edition of the Apocalypse Here Robert Smith provides an introduction to and a commentary on the book of Revelation that is keyed to the Durer woodcuts     *Planet Earth Under Divine Judgment* Shawki Hanna, 2018-10-30 Earthquakes floods forest fires famine pestilence disease volcanos tsunamis terrorism violence economic uncertainty racial and ethnic turmoil war What does it all mean What is the earth coming to People are afraid and wondering what the future might hold It seems there is no security anymore Upon finishing this book the reader will have the inside story regarding what the future really holds for mankind Some of life's most pressing questions will be answered such as What happens when you die Will the inhabitants of this earth annihilate themselves Will the earth end with a bang or a whimper Is there any hope for a brighter future This book is written from a unique perspective the perspective of a layman who has been fascinated with Biblical prophecy for years All the points made are amply supported from Scripture alone His desire is to share a different viewpoint which will awaken readers to study and think for themselves In years gone by many people put their hope and confidence in God but it seems now in the public square no one even thinks or cares about God But awake God is still in control and He knows the end from the beginning He created this earth and He has not just left it to run on its own He is intimately concerned about everything that happens and He has grand plans for it Read this book and find out what they are The book recounts the great themes of the Bible themes of faith the nature of God and the Trinity Christ in the Old Testament Christ's atoning sacrifice on the cross and His resurrection bringing the promise of salvation to all mankind Difficult subjects are addressed such as what happens when a person dies and the Antichrist as well as the signs of the end of the world the final judgments of God on unrepentant humanity as vividly portrayed in Revelation and the last great battle when Jesus Christ is victorious over the Devil See how the prophecies of Daniel Ezekiel Joel and Zechariah in the Old Testament dovetail perfectly with what Christ foretold and what John was shown in Revelation The prophecies of the end of the age are more exciting than any thriller developed for TV or movies Extremely difficult times are coming This book will teach the reader how to survive the times of tribulation Learn how a loving God will bring destruction upon the inhabitants of the earth He has been pleading for millennia for His creatures to commit themselves to Him but they would not Evil has increased to the point where God in His mercy must also display His justice and vengeance and bring an end to it all It is a strange act for this God of love but He has no choice The inhabitants of earth have not only been destroying themselves but they have destroyed the earth God must intervene according to His appointed time which is coming soon He can no longer bear to see His creation suffering The destruction on earth is not the end of the story The world will not just be destroyed and forgotten There is wonderful hope and good news Evil will not have the last word God will have it King Jesus the Messiah is coming back to this

earth again not as a tiny helpless baby but as a warrior King He will rule and His believers will reign with Him for eternity There will be new heavens and a new earth more glorious than anyone could ever imagine There will be no more death sorrow pain or crying Are you prepared for His coming

**The Events Of The Last Day** Dr. Gordon Allen Stamper, 2023-05-03 Like the picture of the little sparrow you see here God is watching over you and cares for you He has plans for you Taken nearby Caesarea Philippi at the foot of Mt Hermon in the Golan Heights Remember not to worry His eye

is on you as on the Sparrow Yet not one of them is forgotten in God's sight Luke 12:6 The purpose of this book is to assist and help the reader strengthen his/her faith and trust in Jesus Christ the author and finisher of all who have a simple and enduring love of God My hope is from your testing of the spirits you will see that God's organizational plan is perfect and is given for our edification and instruction His timeline to the end of days is right on track Like the sparrow God has a special plan for you as it is written For I know the plans I have for you declares the Lord plans to prosper you and not to harm you plans to give you hope and a future Jeremiah 29:11 If you know about Jeremiah it would seem as if our Lord had left him and had forsaken him But God was hidden in the background watching him like He watches the sparrow The reader is about to embark on an adventure with no doubt bumps along the road Please whenever a spot in this book hits hard against your traditions education or social surrounding just keep on reading to the end Trust in God As it is written In God I have put my trust I will not fear What can flesh do to me Psalm 56:4 Please enjoy your journey 2      End Time Delusions Steve Wohlberg, 2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth's nations attack Israel at Armageddon Best selling books like Left Behind and popular apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misguided interpretation than end time prophecy Millions of Christians sense we are nearing Jesus Christ's return Yet when it comes to what the majority thinks will happen during Earth's last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy End Time Delusions exposes massive errors now flooding through media and in much of today's sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity's most illustrious scholars it lets the Bible speak for itself about the past present and future      Historical Dictionary of the Seventh-Day Adventists Gary Land, 2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ's imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism      False Prophecies about Israel, Babylon, & Armageddon

Steve Wohlberg, 2018-09-10 Today literally millions of people who study Bible prophecy have their eyes fixed upon Jerusalem Right now all over the planet Earth Christians are talking about the modern nation of Israel a future rebuilt Jewish temple and a final bloody battle called Armageddon when hostile nations marshal their forces for war against the Jews Do the climactic end time prophecies of the book of Revelation really focus on the Middle East This book takes a close look at the prophetic ideas of the majority of the Christian world Based solidly on the Bible its message could save your life **Building Planet Earth**

Olson,2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the

horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah *Adventist Review*, 2008-07

**Origins and Grand Finale** Gary Haitel, 2014-05 Origins and Grand Finale presents an in depth study of how modern science and astronomy compare to the biblical narrative of the origin of the universe as well as the origin of life Distinguishing between scientific facts and fairy tales as well as biblical facts and poetry author Gary Haitel attempts to build a perfect harmony between science and theology In Origins and Grand Finale Haitel is not proposing new scientific theories Instead he merely examines current scientific theories however bizarre they may seem and explains how they relate to the biblical narrative The second part of this guide focuses primarily on biblical end times and the abuse of political authority In the third part Haitel reflects upon not only the finale of humanity as described in the Bible but also the finale of an individual s physical life here on earth and what to expect after the body returns to the dust of the earth Are we just complex biological accidents or are we immortal spiritual eternal beings Written in a straightforward down to earth fashion Origins and Grand Finale offers a unique opportunity to understand the perfect harmony between science and theology
