Artificial Paradise Sharona E. Ben-Tov,2025-10-01 The Artificial Paradise shows how science fiction is a powerful purveyor of cultural myths rooted in the history of the West myths that shape American attitudes toward nature technology and the pursuit of happiness Sharona Ben Tov posits the theory that science fiction is an American national mode of thinking which seeks to replace nature with technological worlds paradoxically in hope of regaining a mythic magical American Eden Science fiction imagery from fifties sci fi through women s sci fi and cyberpunk keeps alive the desires of and anxieties born during the Scientific Revolution when the Western view of nature changed radically Ben Tov discusses sci fi classics like

Dune The Dispossessed Neuromancer Vonnegut's fiction and the Aliens movie in relation to ancient and modern myths of nature to scientific projects like the atom bomb Strategic Defense Initiative robotics virtual reality and to cultural psychology The book will appeal to those interested in popular culture literature and feminist studies It will also enchant general readers who are interested in science fiction especially readers who want to understand more about the relationship between technology and society The Artificial Paradise sets out to map the cultural anxieties that have beset Western thinking since the Scientific Revolution and to investigate the ills that flow from the split in Western thinking between nature and culture and subject and object and how the split is expressed and reinforced in popular culture and particularly in written science fiction A thought provoking wide ranging book written in an admirably lucid style Sarah Lefanu author of Feminism and Science Fiction The examination of America's uneasy relationship with nature is an illuminating approach which draws together science fiction studies and American studies The witty and readable style should attract a wide readership Brian Attebery Idaho State University The Artificial Paradise is at once intellectually provocative knowledgeable and literate As our lives become increasingly determined by technology we will need to turn to such thinkers as Dr Ben Tov to guide us through its dangers and pleasures Alan Lightman Massachusetts Institute of Technology Sharona Ben Tov is Assistant Professor of Creative Writing and English Bowling Green State University She is author of During Ceasefire Harper Collins a book of poems

New York Magazine, 1989-07-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Borders, Legal Spaces and Territories in Contemporary International Law Tommaso Natoli, Alice Riccardi, 2019-09-12 This book examines the challenges posed to contemporary international law by the shifting role of the border which has recently re-emerged as a central issue in international relations It posits that borders do not merely correspond to States boundaries indeed while remaining a fundamental tool for asserting States power they are in fact a collection of constantly changing spatial limits Consequently the book approaches borders as context specific limits and revisits notions traditionally linked to them jurisdiction sovereignty responsibility individual rights while also adopting the innovative approach of viewing borders as phenomena of both closedness and openness Accordingly the first part of the book addresses what happens within borders investigating the root causes of the emergence of spatial limits and re-assessing apparent extra-territorial assertions of State power In turn the second part not only explores typical borderless spaces but also more generally considers the exercise of States and international organisations powers and prerogatives across or beyond borders
