The Final Hours Johannes Steinhoff, 2005-08-31 Fighter ace Col Johannes Steinhoff commanded an elite group of pilots trained to fly the first jet aircraft employed in combat the famous Messerschmitt Me 262 at a time when Reich Marshal Hermann Goring by then out of favor with Hitler for his failure to stop the Allied bombing raids denounced his own pilots as cowards After Goring refused to deploy the Me 262 as a fighter the role for which it was designed and instead ordered its use as a bomber Steinhoff and other senior air leaders devised a plot to depose Goring from his command of the Luftwaffe in the futile hope of staving off final defeat in the air The pilotsOCO long standing disgust with their Reich MarshalOCOs military incompetence and technical dilettantism led to their dangerous intrigue in the fall of 1944 There was an added element of risk as their desperate gamble came in the wake of the July 20 plot against Hitler the onrushing Allied onslaught and the general disintegration of the German military and its war effort Steinhoff crashed while trying to take off in a heavily laden Me 262 The explosion left him badly burned and still in the hospital when the war ended From his hospital bed in the summer of 1945 he dictated to a fellow wounded German soldier the account that became The Final Hours His memories are vivid painful and gripping Free from the years of recrimination and reflection so common in similar works his tale recounts the pressure of fighting for a lost cause and the intrigue fostered by an unstable command His account reveals every facet of a remarkable fighter pilotOCOs struggle for survival and provides an excellent case study of the plodding bureaucracy and scheming obscurantism so characteristic of the Third Reich

**Final Hours in the Pacific** Donald J. Young, 2014-01-10 From December 7

1941 until the Battle of Midway in June 1942 the war with Japan was a losing one. It was to be the darkest period of the almost four year war. During those days no times were more trying than the final hours for the men trapped on Wake Island, Bataan, Corregidor, Hong Kong and Singapore. This book outlining the bitter end to their ordeals covers the crucial days and final hours that led to their surrender, a capitulation that would shock the free world. **Lincoln's Final Hours** Kathryn Canavan, 2015-10-02

When John Wilkes Booth fired his derringer point blank into President Abraham Lincoln's head, he set in motion a series of dramatic consequences that would upend the lives of ordinary Washingtonians and Americans alike. In a split second, the story of a nation was changed. During the hours that followed, America's future would hinge on what happened in a cramped back bedroom at Petersen's Boardinghouse, directly across the street from Ford's Theatre. There a twenty-three year old surgeon, fresh out of medical school, struggled to keep the president alive while Mary Todd Lincoln moaned at her husband's bedside. In *Lincoln's Final Hours*, author Kathryn Canavan takes a magnifying glass to the last moments of the president's life and to the impact his assassination had on a country still reeling from a bloody civil war. With vivid, thoroughly researched prose and a reporter's eye for detail, this fast-paced account not only furnishes a glimpse into John Wilkes Booth's personal and political motivations but also illuminates the stories of ordinary people whose lives were changed forever by the assassination. While countless works on the Lincoln assassination exist, *Lincoln's Final Hours* moves beyond the well-known traditional accounts, offering readers a front row seat to the drama and horror of Lincoln's death by putting them in the shoes of the audience in Ford's Theatre that dreadful evening. Through her careful narration of the twists of fate that placed the president in harm's way, of the plotting, conversations Booth had with his accomplices, and of the immediate aftermath of the assassination, Canavan illustrates how the experiences of a single night changed the course of history.

*Too Fast to Live, Too Young to Die - James Dean's Final Hours* Keith Elliot Greenberg, 2015-08-01 Applause Books

In *Too Fast to Live Too Young to Die*, readers take an evocative journey with author Keith Elliot Greenberg as he pieces together the puzzle of James Dean's final day and its everlasting impact. Greenberg travels to Dean's hometown to talk with folks who knew the star and all the way to the California roads that underlay the tires of the actor's infamous Porsche Spyder. Taking the story back and forth in time, Greenberg gives insight into what drove Dean to live on the edge, the early loss of his mother, his relentless drive to explore for the sake of his craft. Dean once said, "Dream as if you'll live forever. Live as if you'll die today." He lived to experience, and the one love that compared to his love of acting was his love of racing cars. Greenberg puts the event in historical context, reflecting on the world Dean lived in at the time, an era after World War II, the end of the Korean War, the advent of rock and roll, with the sixties coming down the pike. The star's too soon departure froze him as a symbol of American Cool, and as proven by the 20,000 people who return to Dean's grave each year to pay homage, a major influence on youth culture for myriad generations. With fresh interviews with insiders, riveting storytelling, and acute attention to details from vehicle specs to Dean's stops along the way, including for an ominous speeding ticket, to how the news reached

the world Greenberg delivers a thoughtful look at this historical moment      **Until the Final Hour** Gertraud Junge,2004
