Final Roar:

The Final Roar Rod Parsley, 2019-09-19 *The Final Atonement of Christ* Mark Shipowick, *The Final Atonement* calls the attention of the church to Christ's imminent cleansing of the sanctuary as graphically depicted in the apocalyptic prophecies of scripture. It unpacks many components associated with end time events both earthly and heavenly including the prophetic import of the unique turmoil of the early 2020s. It points readers forward to the momentous events in the courts of heaven and among the nations of earth foretold by inspiration that lie just ahead. Mark Shipowick does another deep dive into the apocalyptic prophecies in this complement to his previous volume *Two Temples One Message*. The author highlights several pivotal occurrences from the past globally and even domestically and emphasizes their relevance to the overarching conflict between Christ and Satan. He identifies a pattern of repetition and proposes that some of these historical events will unfold again. Along that vein, he prompts readers to reexamine certain stances well established in Adventist orthodoxy and provides intriguing corroboration of his unorthodox conclusions from the pen of inspiration. Readers are encouraged to carefully and prayerfully study and determine their level of agreement for themselves with the cases Shipowick has built. They will identify the burden on his heart to see his brethren comprehensively prepared for Jesus to finalize His victory over the wretched enemy, restore His cherished people to His image and lead them home at last. **Spirit's End** Rachel Aaron, 2025-05-01 Eli Monpress is clever, he's determined, and he's in way over his head. First rule of thievery: don't be a hero. When Eli broke the rules and saved the Council Kingdoms, he thought he knew the price, but resuming his place as the Shepherdess's favorite isn't as simple as bowing his head. Now that she has her darling back, Benehime is setting in motion a plan that could destroy everything she was created to protect, and even Eli's charm might not be enough to stop her. But Eli Monpress always has a plan, and with disaster rapidly approaching, he's pulling in every favor he can think of to make it work, including the grudging help of the Spirit Court's new Rector, Miranda Lyonette. But with the world in panic, the demon stirring, and the Lord of Storms back on the hunt, it's going to take more than luck and charm to pull Eli through this time. He's going to have to break a few more rules and work with some old enemies if he's going to survive. **The End Game** Catherine Coulter, J. T. Ellison, 2016-09-06 Nicholas Drummond, a new son of Bond, licensed to shine. *Kirkus Reviews* returns in the third Brit in the FBI thriller. Nicholas Drummond and his partner Mike Caine rush to stop the deadly bombings and cyber attacks of an environmental terrorist group. But when the organization is infiltrated by an international assassin, it will take help from fellow FBI agents Dillon Savich and Lacey Sherlock to stop something much bigger from going down. *Prisoner of Castle Windward* William Lutz II, 2006-07-01 I am originally from the Land of Winds, but over the past several years I have resided in the Realm of Firewood. I spoke the cat quickly. Now you might ask why one of feline lineage would live in the land of dragons. In a land of wonder, a boy must undertake an incredible journey. With a talking cat, a flying Noma, and a rough warrior for companionship, George's quest could end up in disaster for the realm. Are you ready for the adventure that is Firewood?
