Monetary Fund. Fiscal Affairs Dept.,2019-08-29 This Technical Assistance Report on The Gambia highlights that the government has highlighted infrastructure development as a key element of National Development Plan 2018 21 The report discusses that the need for increased public investment in the Gambia should be balanced against potential fiscal risks related to future Public Private Partnerships and State Owned Enterprise investments Analysis of public investment patterns shows a fragmented picture in which external financing dominates Measures of the efficiency of infrastructure investments show mixed results and considerable room for improvement The analysis explains that the Gambia s performance across different Public Investment Management Assessment PIMA indicators is mixed and does not compare favorably with regional counterparts Nevertheless there are many indicators where the PIMA rating is poor Prevailing weaknesses include the presence of many information gaps and non transparent disclosure policies The mission s main recommendations focus on five priority areas and are designed to complement reforms that are already being undertaken United Kingdom

International Monetary Fund. Fiscal Affairs Dept.,2022-09-02 This Technical Report discusses the results of the Public Investment Management Assessment PIMA of the United Kingdom UK undertaken in April 2022 The assessment is timely as the UK plans to increase infrastructure investment in order to boost economic growth reduce regional disparities and help achieve the climate transition The PIMA finds that the UK is well positioned to implement the planned ramp up of public investment given it has robust institutions throughout the public investment cycle Notwithstanding this the Report suggests areas for reform that could increase efficiency and unlock greater value from public investment The application of the Climate PIMA module is covered in a separate companion report **Berea/I-X Center Red Line Extension Project,**
