Foodservice Operations David K. Hayes,Jack D. Ninemeier,2024-01-04 Cost Control in Foodservice Operations Control operating costs and move your foodservice business forward The key to a foodservice business surviving and thriving is to properly understand the relationship between revenue expenses and profits Controlling operating costs that is controlling expenses without reducing revenue is a key tool in creating a profitable business Owners managers and staff all play an essential role in controlling operating costs and it s critical for every member of a foodservice team to understand how to be successful Cost Control in Foodservice Operations outlines key mechanisms and tools in a clear accessible presentation

Emphasizing the importance of the subject before moving to specific methods for managing and reducing costs it is an indispensable tool for anyone in the foodservice industry looking to gain a competitive edge The book also includes A thorough introduction to controlling food and beverage product costs Detailed coverage of effective cost management methods including creating a sales forecast controlling labor costs pricing menu items and more Advice based on the authors decades of combined experience in both foodservice business and education research Cost Control in Foodservice Operations is ideal for students in foodservice related courses as well as professionals and owners looking to take their business to the next level

Food and Beverage Cost Control Lea R. Dopson, David K. Hayes, 2015-03-16 This fully updated sixth edition of Food and Beverage Cost Control provides students and managers with a wealth of comprehensive resources and the specific tools they need to keep costs low and profit margins high In order for foodservice managers to control costs effectively they must have a firm grasp of accounting marketing and legal issues as well as an understanding of food and beverage sanitation production and service methods

Controlling Restaurant & Food Service Operating Costs Cheryl Lewis, Douglas Robert Brown, 2003 This series of fifteen books The Food Service Professional Guide TO Series from the editors of the Food Service Professional magazine are the best and most comprehensive books for serious food service operators available today These step by step guides on a specific management subject range from finding a great site for your new restaurant to how to train your wait staff and literally everything in between They are easy and fast to read easy to understand and will take the mystery out of the subject The information is boiled down to the essence They are filled to the brim with up to date and pertinent information The books cover all the bases providing clear explanations and helpful specific information All titles in the series include the phone numbers and web sites of all companies discussed What you will not find are wordy explanations tales of how someone did it better or a scholarly lecture on the theory Every paragraph in each of the books are comprehensive well researched engrossing and just plain fun to read yet are packed with interesting ideas You will be using your highlighter a lot The best part aside from the content is they are very moderately priced The whole series may also be purchased the ISBN number for the series is 0910627266 You are bound to get a great new idea to try on every page if not out of every paragraph Do not be put off by the low price these books really do deliver the critical information and eye opening ideas you need to succeed without the fluff so commonly found in more expensive books on the subject Highly recommended Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president's garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed

Successful Management in Foodservice

Operations David K. Hayes, Jack D. Ninemeier, 2024-07-18 Comprehensive resource covering key need to know aspects of how to run a food service operation with unique perspective from restaurant managers Successful Management in Foodservice Operations is a single volume textbook addressing the overall operation of a successful food service business including planning for success ensuring excellence in production and service and generating optimal levels of operating profits The purpose of this book is to teach foodservice operators what they must know and do in order to achieve their own definitions of success The book covers the major changes to food delivery processes and systems forced by the COVID pandemic changes to the system of accounts for restaurants flexibility of employee management due to COVID enforced changes and more Each chapter ends with features to enable reader comprehension and practical application of concepts These include A Manager's 10 Point Effectiveness Checklist offering ideas for management actions and mini case studies entitled What Would You Do with suggested answers Successful Management in Foodservice Operations also discusses Reading a Uniform Systems of Accounts for Restaurants USAR income statement identifying a target market and creating an effective proprietary website Managing marketing on third party operated websites and labor costs and preparing and monitoring an operating budget Creating a profitable menu successfully pricing menu items recruiting selecting and training team members and controlling food and beverage production costs Running food trucks and ghost restaurants where no customers actually visit the restaurant in person other than to pick up pre ordered food Successful Management in Foodservice Operations is an authoritative accessible up to date and easy to understand reference for introductory students in programs of study related to hospitality management and food service operations It also appeals to individuals interested in running their own restaurant or food service operation Part of Wiley's Foodservice Operations The Essentials series

Financial Decision-Making in the Foodservice Industry Amit Sharma, 2019-12-20 The study of decision making in foodservice is still a relatively new area of scholarly interest The application of cost benefit analysis and behavioral finance and economics in the foodservice context is rare This volume Financial Decision Making in the Foodservice Industry Economic Costs and Benefits fills that gap and focuses on cost benefit analysis decision making behavioral finance economic theories and their application in foodservice and restaurant industry The volume synthesizes these major themes by developing new theoretical foundations and presenting findings from the investigation of managerial practice The authors cover an abundance of topical issues including ethical obligations in foodservice sustainability issues in the foodservice restaurant industry farm to school and local food expenditures in school foodservice settings managerial traits and behavior in the foodservice industry and more
