student affairs resource for entry level mid level and senior level professionals and college administrators **Critical Issues for Student Affairs** Arthur Sandeen, Margaret J. Barr, 2014-03-14 Student affairs is now part of the management and administrative structure of almost every college and university in the United States Professional staff working under the banner of student affairs are engaged in a wide variety of educational support and service functions Measured by almost any standard today's student affairs profession has never been stronger There are still however a number of critical issues that must be debated and discussed if the student affairs profession is to move forward in the years ahead Critical Issues for Student Affairs identifies the most vital issues currently confronting the student affairs profession Each chapter in this important volume focuses on a specific issue and presents a background a summary of related research and writing an examination of the issue related references and a list of suggestions for further discussion **Rethinking Student Affairs Practice** Patrick G. Love, Sandra M. Estanek, 2004-04-05 To be effective managers student affairs professionals must understand the structures and processes that form the organizational context in which they work and must be able to work within them These structures are often characterized by a rigid division of labor and an expectation that good managers can predict the outcomes of their efforts and can and should exercise control over the inputs However to be effective leaders they must be able to perceive new possibilities beyond those structures and expectations How can they do both Rethinking Student Affairs Practice offers an answer to that question Love and Estanek challenge their readers to perceive their responsibilities institutions and relationships through multiple lenses They have developed a model for change based in four concepts that will help their readers do this The four concepts are valuing dualisms transcending paradigms recognizing connectedness and embracing paradox **Advancement Work in Student Affairs: The Challenges and Strategies** Thomas E. Miller, 2010-06-21 Readers are encouraged to consider fundraising an essential component of their future as student affairs professionals Chapter topics discussed include The context for development work in student affairs Getting started in student affairs development Student affairs and alumni relations Fundraising for student affairs at comprehensive institutions Entrepreneurialism in student affairs the Eckerd College Waterfront Program story More than an open door deploying philanthropy to student access and success in American Community Colleges Suggestions for the path ahead Student affairs divisions need to find ways to support themselves and move toward self reliance and self determination The most important aspect of student affairs practice will always be in the context of institutional frameworks and mission and it will always be characterized as a collaborative partnership with others However the best of student affairs operations will at the same time be characterized as self sufficient carrying their own weight a goal best accomplished through a commitment to development work and fundraising This volume aims to help student affairs professionals realize that goal This is the 130th volume of the Jossey Bass higher education quarterly report series New Directions for Student Services An indispensable resource for vice presidents of student affairs deans of students student counselors and other student services
