FINANCE AND ASTROLOGY

What does your astrological sign say about the way you manage money?

PISCES

Millionaire in the making. Cancer has the most self-made millionaires, but Pisces is the house of more millionaires overall.

ARIES

Don't give this one a credit card. Known for their impulsive, live-for-the-moment nature, this attitude can lead to debt problems if not managed.

TAURUS

Financial security is a must. Those who know a Taurus know security is close to an obsession for these territorial bulls. They like having money, and lots of it.

GEMINI

Spend, save, spend, save. The dual nature of a Gemini means this sign will save their entire paycheck one month, and spend it all the next.

CANCER

Self-made millionaire. There are said to be more self-made millionaires born Cancer than any other sign!

LEO

I am a spender, hear me roar. To others, it might appear that Leos are throwing money away, but least they prefer to spend on the people they love.

VIRGO

Frugal is my middle name. Virgos not only save every penny they have, you might catch one checking your sofa cushions for spare change if you turn your back.

LIBRA

Balance is desired, but not always realized. Libras love having balance in their lives, but when it comes to balancing a checkbook, they tend to have problems overspending while entertaining.

SCORPIO

Get your eyes off my checkbook. Scorpions are intensely secretive and prefer not to share their financial lives with others.

SAGITTARIUS

Finances get better with age. In youth, a Sagittarius can have trouble holding on to money. Fortunately, they're lucky and get what they want when they need it most.

CAPRICORN

Cautious, not cheap. Capricorns can appear overly-frugal, but they simply manage money very carefully.

AQUARIUS

I'll spend what I want. An Aquarius aims for the financial stars, even if they money needed to buy something doesn't exist yet.
