Strategic Entrepreneurial Finance Darek Klonowski, 2014-11-27 Entrepreneurial finance is a discipline that studies financial resource mobilization resource allocation risk moderation optimization in financial contracting value creation and value monetization within the context of entrepreneurship However without proper strategic consideration the discipline is incomplete This book examines how the activity of entrepreneurial finance can be enhanced via a concentration on value creation and through improved strategic decision making The most unique feature of the book is its focus on value creation For entrepreneurs value creation is not a one off activity but rather a continuous cycle of incremental improvements across a wide range of business activities Entrepreneurial value creation is described in four comprehensive stages value creation value measurement value enhancement and value realization referred to as the C MER model This book focuses on what creates value rather than merely presenting value creation in a straight accounting framework At the same time deliberate and tactical planning and implementation ensure that the firm does not ignore the components necessary for it to survive and flourish Vigorous strategic deliberations maximize the entrepreneurial firm s chances of making the right business decisions for the future enable the firm to manage its available financial and non financial resources in the most optimal manner ensure that the necessary capital is secured to progress the development of the firm to its desired development level and build value While financial considerations are important the field of strategic entrepreneurial finance represents a fusion of three disciplines strategic management financial management and entrepreneurship This orientation represents a natural evolution of scholarship to combine specific domains and paradigms of naturally connected business disciplines and reflects the need to simultaneously examine business topics from different perspectives which may better encapsulate actual entrepreneurial practices Alternative Corporate Re-engineering Chris Wormald, Mark Abell, 2011 This title is of value to businesses from all sectors which are considering their re engineering and restructuring options as well as those that are reviewing both their approach to international expansion and whether there are other ways to penetrate domestic markets

which their typical expansion model does not allow them to address This first edition of Alternative Corporate Re engineering will be of great assistance to corporations and their counsel providing valuable insights and guidance to these complicated Cláusulas de Earn-out em Operações de M&A Daniel Rodrigues Alves, 2025-07-18 Este trabalho tem por objetivo fazer uma an lise cr tica e criteriosa da cl usula de earn out pre o contingente introduzida em contratos de opera es de fus es e aquisi es M A Dadas as caracter sticas do earn out e seu grande potencial de litigiosidade clara a necessidade de se verificar quais os elementos fundamentais devem constar do texto dessa cl usula para atender sua natureza ao seu racional econ mico e a atingir os seus objetivos al m de minimizar o potencial de disputa futura entre os contratantes Espera se propiciar ao operador do direito empresarial os elementos essenciais para a elabora o racional de seu texto e para o aconselhamento que ser dado aos seus clientes sobre o funcionamento e riscos do instituto no direito brasileiro Inicialmente ser feita uma verifica o da determinabilidade e da natureza jur dica da cl usula de earn out no direito p trio e em seguida uma an lise pormenorizada desta incluindo seus elementos t picos seu funcionamento e os principais itens a serem considerados quando da sua elabora o e negocia o Por fim a descri o de dois casos concretos de lit gios judiciais discutidos e julgados pelas cortes norte americanas envolvendo earn out ser feita seguida de uma an lise desses sob a tica do princ pio da boa f objetiva consagrado no nosso sistema jur dico de maneira a se verificar se as decis es seriam as mesmas caso as senten as fossem proferidas luz desse princ pio que rege as rela es contratuais locais QFinance, 2009-10-13 Compiled by more than 300 of the world's leading professionals visionaries writers and educators this is THE first stop reference resource and knowledge base for finance QFINANCE covers an extensive range of finance topics with unique insight authoritative information practical guidance and thought provoking widsom Unmatched for in depth content QFINANCE contains more than 2 million words of text data analysis critical summaries and bonus online content Created by Bloomsbury Publishing in association with the Qatar Financial Centre QFC Authority QFINANCE is the expert reference resource for finance professionals academics students journalists and writers QFINANCE The Ultimate Resource Special Features Best Practice and Viewpoint Essays Finance leaders experts and educators address how to resolve the most crucial issues and challenges facing business today Finance Checklists Step by step guides offer problem solving solutions including hedging interest rate risk governance practices project appraisal estimating enterprise value and managing credit ratings Calculations and Ratios Essential mathematical tools include how to calculate return on investment return on shareholders equity working capital productivity EVA risk adjusted rate of return CAPM etc Finance Thinkers and Leaders Illuminating biographies of 50 of the leading figures in modern finance including Joseph De La Vega Louis Bachelier Franco Modigliani Paul Samuelson and Myron Scholes Finance Library digests Summaries of more than 130 key works ranging from Against the Gods to Portfolio Theory Capital Markets and The Great Crash Country and Sector Profiles In depth analysis of 102 countries and 26 sectors providing essential primary research resource for direct or indirect investment Finance Information Sources A select list of the best
