Scott Niederjohn, Mark C. Schug, William C. Wood, 2020-08-11 This book uses relatable case studies to dispense practical financial advice to educators Written by an expert team of four award winning economics educators the book provides an engaging narrative specifically designed for teachers and their unique financial needs Educators are attracted to the teaching profession for numerous reasons Prospective teachers enter the profession believing it offers a certain level of job security and good benefits usually including a defined benefit state funded pension But things are changing Pensions vary widely from state to state and even within school districts Many private schools do not offer even basic 403 b saving plans and when they do they are often not very generous Much the same can be said of many charter schools and private colleges and universities The book consists of fourteen chapters covering a comprehensive group of topics specifically curated for educators teaching at the K 12 and university level including saving for retirement managing debt investment strategies and real estate Each chapter begins with a case study of an educator in a specific financial situation which sets the scene for the introduction and explanation of key concepts The chapters include a Q A section to address common questions and conclude with a Financial 911 focusing on a financial emergency related to the chapter topic **The Official Freebies for Teachers** Freebies Magazine, 1994 **Promoting Better Lifetime Planning Through Financial Education** Naoyuki Yoshino, Flore-anne Messy, Peter J Morgan, 2016-02-29 Surveys show that financial literacy levels are typically low around the world despite the widening access to financial services and the increasing financial risks borne by households in many countries This suggests that there will be mounting challenges for households and SMEs to invest wisely and effectively as societies age and governments shift away from defined benefit to defined contribution pension schemes Individuals will increasingly have to make complex financial decisions to plan for their retirement and for a range of foreseen and unforeseen expenditures All of these developments suggest that financial education should be part of a lifetime process that starts at an early age and is pursued throughout adulthood The contributions in this book came from a symposium titled Promoting Better Lifetime

Planning through Financial Education organized by the Asian Development Bank Institute the Bank of Japan the Japan Financial Services Agency and the Organisation for Economic Co operation and Development held on 22 23 January 2015 in Tokyo Amongst the topics discussed were effective pension management financial education curricula in schools training for teachers of financial education internationally comparable data on financial literacy and the evaluation of the effectiveness of financial education programs There are also case studies on financial inclusion regulation and education in Indonesia Pakistan Philippines Viet Nam Thailand and Japan *The Paycheck You Don't Work For How Teachers Can Build a Steady Stream of Passive Income by Owning Reliable Dividend-Paying Companies* Gabriel Northwood, 2025-09-09 Every teacher knows the stress of living paycheck to paycheck working tirelessly while financial security feels out of reach What if there was a way to earn an extra paycheck without grading another paper picking up side jobs or taking on debt This clear beginner friendly guide introduces you to the powerful world of dividend investing a proven strategy where you get paid simply for owning shares in strong reliable companies You ll discover how to identify businesses that reward shareholders with steady cash payouts how to build a diversified dividend portfolio on a teacher s budget and how to reinvest for long term wealth Written in plain language with educators in mind this book removes the complexity of Wall Street and replaces it with practical steps that anyone can follow Imagine the freedom of opening your account and seeing income arrive automatically money that works for you not the other way around Start today and create your own reliable second paycheck for life
