anxiety of his parents to chase a pipe dream with little promise of reward No one could have guessed he would go on to become the biggest pay per view attraction in the world As a technician and tactician inside the cage McGregor was something special Outside of the cage McGregor could draw thousands of screaming fans to press events with his wit and presence And away from the cameras McGregor s life was built around a love of treating his friends and a loyalty to his teammates and his hometown This is not another tale about an athlete who was born exceptional and groomed for success It is about how one young man through bloody minded determination and indomitable spirit came to change the whole game From Crumlin to Las Vegas and from the cage to the cars Notorious The Life and Fights of Conor McGregor explores not just how the fight game changed Conor McGregor but how Conor McGregor revolutionized the fight game *Particular Stones* ,
