American Illustrated Magazine, 1901 Frank Leslie's Popular Monthly Frank Leslie, 1901 **The Public** Louis Freeland Post, Alice Thatcher Post, Stoughton Cooley, 1904 If You Want to Win, You've Got to Fight Carter Lavin, 2025-11-13 While challenging our car centric systems can feel daunting for anyone who wants change you can win and this book is here to help In If You Want to Win You've Got to Fight transportation activist Carter Lavin provides a roadmap for transforming passion into political power Whether your dream is protected bike lanes better bus service or expanded high speed rail this book provides transportation specific strategies for organizing for change It draws upon advice from advocates across the United States and Lavin's own experience with over 100 campaigns Action points at the end of each chapter enable readers to move from brainstorming into concrete action Accessible and inspirational this book will help people who are starting out as well as experienced advocates plan launch and lead any transportation related campaign **To Stand and Fight** Martha BIONDI, 2009-06-30 The story of the civil rights movement typically begins with the Montgomery bus boycott of 1955 and culminates with the 1965 voting rights struggle in Selma But as Martha Biondi shows a grassroots struggle for racial equality in the urban North began a full ten years before the rise of the movement in the South This story is an essential first chapter not only to the southern movement that followed but to the riots that erupted in northern and western cities just as the civil rights movement was achieving major victories Biondi tells the story of African Americans who mobilized to make the war against fascism a launching pad for a postwar struggle against white supremacy at home Rather than seeking integration in the abstract black New Yorkers demanded first class citizenship jobs for all affordable housing protection from police violence access to higher education and political representation This powerful local push for economic and political equality met broad resistance yet managed to win several landmark laws barring discrimination and segregation To Stand and Fight demonstrates how black New Yorkers launched the modern civil rights struggle and left a rich legacy Table of Contents Prologue The Rise of the Struggle for Negro Rights 1 Jobs for All 2 Black Mobilization and Civil Rights Politics 3 Lynching Northern style 4 Desegregating the metropolis 5 Dead Letter Legislation 6 An Unnatural Division of People 7 Anticommunism and Civil Rights 8 The Paradoxical Effects of the Cold War 9 Racial Violence in the Free World 10 Lift Every Voice and Vote 11 Resisting Resegregation 12 To Stand and Fight Epilogue Another Kind of America Notes Acknowledgments Illustration Credits Index Reviews of this book Historians have thoroughly documented the experiences of those African Americans who lived in the South and worked to repeal Jim Crow laws However in this work Biondi explores what she calls the struggle for Negro rights in New York City an exploration resulting in a stark reminder of the daily challenges facing blacks who lived in northern cities With its detailed discussions of the American Labor Party the Communist Party Black Nationalism Adam Clayton Powell Jr W E B Dubois Roy Wilkins and especially Paul Robeson this work should be required reading for all historians interested in the post WW II experience of African Americans in the urban North

T D Beal Choice Reviews of this book In this meticulously researched monograph Biondi reminds the reader that the struggle for black civil rights was waged in the North before it was joined in the South She documents the fight against racial discrimination in hiring police brutality housing segregation lack of political representation and inadequate schools in New York City between 1946 and 1954 Biondi s writing is crisp and direct She introduces the reader to a host of activists whose efforts deserve to be remembered Unfortunately most of the causes they championed remain with us today Paul T Murray MultiCultural Review With stunning research and powerful arguments Martha Biondi charts a new direction in civil rights history the northern side of the black freedom struggle Biondi presents postwar New York as a battleground no less than the Jim Crow South for the fight against police brutality and discrimination in employment housing retail stores and places of amusement Men and women trade unionists and religious leaders integrationists and separatists liberals and the Left come together in this pathbreaking study of America s largest and most cosmopolitan city Evelyn Brooks Higginbotham editor in chief of The Harvard Guide to African American History To Stand and Fight brilliantly re writes the history of postwar social movements in New York City Martha Biondi has not only extended our view of the civil rights movement to the urban North but she places the movement squarely within an international framework She redefines the movement focusing on the specific struggles that mattered jobs welfare housing police misconduct political representation and black people s ongoing battle for independence in the colonies To Stand and Fight will stand out as a major contribution to an already burgeoning field of civil rights studies Robin D G Kelley author of Freedom Dreams The Black Radical Imagination To Stand and Fight establishes that New York was as important a battleground for racial equality as Montgomery or Birmingham Martha Biondi has done a great service by uncovering the rich and largely forgotten history of New York s role in the African American freedom struggle Thomas J Sugrue author of The Origins of the Urban Crisis Race and Inequality in Postwar Detroit
