Figures Of Ill Repute Representing Prostitution In Nineteenth Century France

Elizabeth Kowaleski-Wallace

Figures Of Ill Repute Representing Prostitution In Nineteenth Century France:

Figures of Ill Repute Charles Bernheimer, 1989 Examines the representations of prostitution in the art and literature of nineteenth century France with regard to how this reflected the attitudes of society *Male Bonds in Nineteenth-Century Art* Thijs Dekeukeleire, Henk de Smaele, Marjan Sterckx, 2022-01-10 Masculinities in nineteenth century art through the lens of gender and queer history Male bonds were omnipresent in nineteenth century European artistic scenes impacting the creation presentation and reception of art in decisive ways Men's lives and careers bore the marks of their relations with other men Yet such male bonds are seldom acknowledged for what they are gendered and historically determined social constructs This volume shines a critical light on male homosociality in the arts of the long nineteenth century by combining art history with the insights of gender and queer history From this interdisciplinary perspective the contributing authors present case studies of men's relationships in a variety of contexts which range from the Hungarian Reform Age to the Belgian fin de siècle As a whole the book offers a historicizing survey of the male bonds that underpinned nineteenth century art and a thought provoking reflection on its theoretical and methodological implications **Reading Baudelaire's Le**

Spleen de Paris and the Nineteenth-Century Prose Poem Seth Whidden, 2022 A study of Charles Baudelaire's *Le Spleen de Paris* 1859 that explores how the practice of reading prose poems might be different from reading poetry in verse It illustrates how Baudelaire wrote texts that he considered poems and how this form shows aspects of his poetic modernity

Perfume on the Page in Nineteenth-Century France Cheryl Krueger, 2023-06-26 Despite long standing assertions that languages including French and English cannot sufficiently communicate the experience of smell much of France's nineteenth century literature has gained praise for its memorable evocation of odours As French perfume was industrialized democratized cosmeticized and feminized in the nineteenth century stories of fragrant scent trails aligned perfume with toxic behaviour and viewed a woman's scent as something alluring but also something to be controlled Drawing on a wealth of resources *Perfume on the Page in Nineteenth Century France* explores how fiction and related writing on olfaction meet permeate and illuminate one another The book examines medical tracts letters manuscripts posters print advertisements magazine articles perfume manuals etiquette books interviews and encounters with fragrant materials themselves Cheryl Krueger explores how the olfactory language of a novel or poem conveys the distinctiveness of a text its unique relationship to language its style and its ways of engaging the reader its signature scent Shedding light on the French perfume culture that we know today *Perfume on the Page in Nineteenth Century France* follows the scent trails that ultimately challenge us to read perfume and literature in new ways **Figures of Southeast Asian Modernity** Joshua Barker, Erik Harms, Johan A.

Lindquist, 2013-07-31 We live in a world populated not just by individuals but by figures those larger than life people who in some way express and challenge our conventional understandings of social types This innovative and collaborative work takes up the wide range of figures that populate the social and cultural imaginaries of contemporary Southeast Asia some

familiar only in specific places others recognizable across the region and even globally It puts forward a series of ethnographic portraits of figures that represent and give voice to something larger than themselves offering a view into social life that is at once highly particular and general They include the Muslim Television Preacher in Indonesia Miss Beer Lao the Rural DJ in Thailand the Korean Soap Opera Junkie in Burma the Filipino Seaman and the Photo Retoucher in Vietnam Figures of Southeast Asian Modernity brings together the fieldwork of over eighty scholars and covers the nine major countries of the region Burma Myanmar Cambodia Indonesia Laos Malaysia the Philippines Singapore Thailand and Vietnam An introduction outlines important social transformations in Southeast Asia and key theoretical and methodological innovations that result from ethnographic attention to the study of key figures Each section begins with an introduction by a country editor followed by short essays offering vivid and intimate portraits set against the background of contemporary Southeast Asia The result is a volume that combines scholarly rigor with a meaningful up to date portrayal of a region of the world undergoing rapid change A reference bibliography offers suggestions for further reading Figures of Southeast Asia Modernity is an ideal teaching tool for introductory classes to Southeast Asia studies anthropology and geography

Playing Cleopatra Holly Grout, 2024-02-07 Questions about the meaning of womanhood and femininity loomed large in late nineteenth and early twentieth century French culture In *Playing Cleopatra* Holly Grout uses the theater specifically Parisian stage performances of the Egyptian queen Cleopatra by Sarah Bernhardt Colette and Josephine Baker to explore these cultural and political debates How and why did portrayals of Cleopatra influence French attitudes regarding race sexuality and gender To what extent did Bernhardt Colette and Baker manipulate the image of Cleopatra to challenge social norms and to generate new models of womanhood Why was Cleopatra an ancient mythologized queen the chosen vehicle for these spectacular expressions of modern womanhood In the context of late nineteenth century Egyptomania Cleopatra's eroticized image as well as her controversial legacy of female empowerment resonated in new ways with a French public engaged in reassessing feminine sexuality racialized beauty and national identity By playing Cleopatra Bernhardt Colette and Baker did more than personify a character they embodied the myriad ways in which celebrity was racialized gendered and commoditized and they generated a model of female stardom that set the stage for twentieth century celebrity long before the Hollywood machine's mass manufacture of stars At the same time these women engaged with broader debates regarding the meaning of womanhood celebrity and Frenchness in the tumultuous decades before World War II Drawing on plays periodicals autobiographies personal letters memoirs novels works of art and legislation *Playing Cleopatra* contributes to a growing body of literature that examines how individuals subverted the prevailing gender norms that governed relations between the sexes in liberal democratic regimes By offering employment visibility and notoriety the theater provided an especially empowering world for women in which the roles they played both reflected and challenged contemporary cultural currents Through the various iterations in which Bernhardt Colette and Baker played Cleopatra they not only resurrected an

ancient queen but also appropriated her mystique to construct new narratives of womanhood French Opera at the Fin de Siècle Steven Huebner, 2006-02-02 This is the first book length study of the rich operatic repertory written and performed in France during the last two decades of the nineteenth century Steven Huebner gives an accessible and colorful account of such operatic favorites as Manon and Werther by Massenet Louise by Charpentier and lesser known gems such as Chabrier's Le Roi malgré lui and Chausson's Le Roi Arthus

Paris Sewers and Sewermen Donald Reid, 1991 The expansion of the Paris sewer system during the Second Empire and Third Republic was both a technological and political triumph The sewers themselves were an important cultural phenomenon and the men who worked in them a source of fascination Donald Reid shows that observing how such laborers as cesspool cleaners and sewermen present themselves and are represented by others is a way to reflect on the material and cultural foundations of everyday life For bourgeois urbanites the sewer became the repository of latent anxieties about disease disorder and anarchy The sewermen themselves formed a model army of labor in an era of social upheaval in the workplace They were pioneers both in demanding the right of public servants to unionize and in securing social welfare measures They were among the first French manual laborers to win the eight hour day paid vacations and other benefits Reid transcends traditional categories by bringing together the infrastructure and the cultural supports of society viewing technocracy and its achievements in technical political and cultural terms Historians of modern France and Francophiles in search of the unusual will welcome the cultural interfaces of urban history labor history and the history of technology his book provides His text is enlivened by drawings and photographs of the life below Paris streets and illuminated by references to literary sources such as Hugo's Les Misérables and Giraudoux's The Madwoman of Chaillot

Literature and Science Donald Bruce, Anthony George Purdy, 1994 Taking as a starting point the embeddedness of all disciplinary and interdisciplinary inquiry since interdisciplinarity is itself not a unitary phenomenon but encompasses many different knowledge practices embedded in widely differing political economic and ideological constituencies the essays in this volume explore in different ways some of the conversations currently taking place across disciplinary boundaries in the exciting new field of literature and science Like literature science is seen as a site of competing ideological constructions as a complex and richly ambiguous element of modern and postmodern social discourse circulating in a wider cultural community where its currency fluctuates according to complex changes in social and epistemic conditions including the relative prestige or cultural capital of science or literature within professional and disciplinary hierarchies at any given time

True Stories of Crime in Modern Mexico Robert Buffington, Pablo Piccato, 2011-04-21 Crime has played a complicated role in the history of human social relations Public narratives about murders insanity kidnappings assassinations and infanticide attempt to make sense of the social economic and cultural realities of ordinary people at different periods in history Such stories also shape the ways historians write about society and offer valuable insight into aspects of life that more conventional accounts have neglected misunderstood or ignored altogether This edited

volume focuses on Mexico's social and cultural history through the lens of celebrated cases of social deviance from the late nineteenth and early twentieth centuries. Each essay centers on a different crime story and explores the documentary record of each case in order to reconstruct the ways in which they helped shape Mexican society's views of itself and of its criminals.

Encyclopedia of Feminist Literary Theory Elizabeth Kowaleski-Wallace, 2009-03-23 From the cutting edge to the basics. The latest advances as well as the essentials of feminist literary theory are at your fingertips as soon as you open this brand new reference work. It features in quick and convenient form precise definitions of important terms and concise summaries of the salient ideas of critics working in the field who have made significant contributions to feminist literary studies and points out how a feminist perspective has affected the development of emerging ideas and intellectual practices. Every effort has been made to include as many feminist thinkers as possible. Expanded coverage of key subjects. Overview entries cover topics ranging from creativity, beauty, and eroticism to pornography, violence, and war, with a thorough exploration of the major theoretical points of feminist literary approaches and concerns. In addition, entries organized around literary periods and fields such as medieval studies, Shakespeare, and Romanticism survey subjects in the framework of feminist literary theory and feminist concerns. Shows how feminist ideas have shaped literary theory. The Encyclopedia gathers in one place all the key words, topics, proper names, and critical terminology of feminist literary theory. Emphasis throughout is on usage in the United States and Great Britain since the 1970s. Each entry is accompanied by a bibliography that is a point of departure for further research. A key advantage of this Encyclopedia is that it amasses bibliographic references for so many important and often cited works within a single volume. Instructors especially will find this information invaluable in the preparation of course material. Special Features: Offers precise contemporary definitions of all important critical terms. Summarizes the salient ideas of key literary critics. Overviews cover major theoretical issues. Entries on periods and fields survey feminist contributions. Emphasizes terminology that has evolved since the 1970s. Indexes proper names, subjects, key words, and related topics.

Dangers of Youth Briony Neilson, 2025-05-13 French society at the turn of the twentieth century was deeply preoccupied with the conduct and management of its young people, especially those who had broken the law. Legislators and social reformers of the Third Republic grappled with the question of whether children who committed offences should be held criminally responsible for their actions or if their age should exempt them from liability. *Dangers of Youth* examines foundational debates about young lawbreakers, their criminal liability, and their appropriate treatment at the origins of France's modern juvenile justice system. In a context of overcrowded prisons, frequent recidivism, a sluggish birth rate, and growing international tension, young offenders were viewed as harbingers of the nation's decline and as dangerous agents of disorder. At the same time, young people, including juvenile delinquents, were seen as victims of neglect and necessary vehicles for national regeneration. In 1912, legislators established a distinct criminal justice system for juveniles, enshrining probation at its heart and decriminalizing offences committed by children under the age of thirteen. Legislators drew on recommendations

from France's pre-eminent penal reform association the Société générale des prisons introducing measures that enabled the state to intervene as never before in children's upbringing *Dangers of Youth* is a detailed historical account of the emergence of greater age consciousness in the criminal justice system in modern France which contributed to the creation of a distinct branch of justice for juveniles **A Cultural History of Marriage in the Age of Empires** Paul Puschmann, 2021-11-18

During the age of empires 1800-1900 marriage was a key transition in the life course worldwide a rite of passage everywhere with major cultural significance This volume presents an overview of the period with essays on Courtship and Ritual Religion State and Law Kinship and Social Networks the Family Economy Love and Sex the Breaking of Vows and Representations of Marriage Using this framework this volume explores global trends in marriage In nineteenth century Western Europe marriage was increasingly regarded as the only way to reach happiness and self-fulfilment In the United States former slaves obtained the right to marry leading to a convergence in marriage patterns between the black and white populations In Latin America marriage remained less common but marriage rates were nevertheless on the rise In African and Asian societies European colonial powers tried to change indigenous marriage customs like polygamy and arranged marriages but had limited success Across the globe in a time of turbulent political and economic change marriage and the family remained crucial institutions the linchpins of society that they had been for centuries **A Prescription for Murder** Angus

McLaren, 1995-06 McLaren develops a historiographical survey on Victorian attitudes toward sexuality and morality and their relation to violence as he describes the story of Dr Thomas Cream Cream murdered prostitutes and women seeking abortions in England and North America between 1877 and 1892 **Images of Sex Work in Early Twentieth-Century America**

Mollie LeVeque, 2019-04-18 Storyville was the infamous red light district of New Orleans It was a world where normative social values didn't apply and was shrouded in mystery and myth until the photographs of E J Bellocq were rediscovered Bellocq's depictions of Storyville's sex workers have typically been treated as tragic ominous and emblematic of New Orleans singularity Yet such interpretations have projected gendered stereotypes of frailty and victimhood onto the women they portrayed In *Images of Sex Work* Mollie LeVeque interrogates these glib readings and argues that sex work was a routine aspect of life in a modern city She supports this theory by examining a range of cultural forms such as crime fiction illustrations and paintings from contemporary urban centres like Paris London and New York In doing so she advances the new argument that Bellocq humanised his subjects de-sensationalised sex work and gave these women the dignity they were all too often denied **Baudelaire's Prose Poems** Sonya Stephens, 1999 Demonstrating the significance of ironic otherness for the theory and functioning of Baudelaire's prose poems and for the genre of the prose poem itself this book considers Baudelaire's choice of this genre and the way that he seeks to define it

Place, Culture, and Identity Alan R. H. Baker, 2001 Alan R H Baker of the Geography Department of the University of Cambridge has played a leading role in the development of historical geography This book which features twelve specially commissioned essays recognizes his highly influential and

innovative contributions The contributors address the following topics methodology and ideology in historical geography historical geographies of state regulation and political discourse the social and cultural use of public and private space and the interpretation of images of place in relation to cultural and national identity

Zola, *The Body Modern* Susan Harrow, 2017-07-05 Emile Zola's reputation as a landmark European novelist is undisputed His monumental achievement the novel cycle *Les Rougon Macquart Histoire sociale et naturelle d'une famille sous le Second Empire* 1871-1893 fixed his status as a major writer in the naturalist tradition Is there any more to be said Susan Harrow answers boldly in the affirmative challenging the commonplace view that Zola's writing is predictable prolix and transparent what Barthes called readerly for which read tedious Harrow exposes the modernist and postmodernist strategies which surface in the Rougon Macquart novels and reveals Zola's innovatory representation of the body captured here at work at war at play at rest and in arresting abstraction Informed by critical thought from Barthes and Deleuze to Michel de Certeau and Anthony Giddens Zola the *Body Modern* offers a model for how we can revitalize our understanding of the canonical nineteenth century European novel and learn to travel more flexibly between parameters of century style and aesthetics

Historical Dictionary of French Literature John Flower, 2022-05-15 With the possible exception of Great Britain France can justifiably lay claim to possess the richest literary history of any country in Western Europe This book covers the authors and their works literary movements and philosophical and social developments that have had a direct impact on style or content and major historical events such as the two world wars the Franco Prussian War the Algerian War or the events of May 1968 that are directly reflected in a substantial body of imaginative writing *Historical Dictionary of French Literature* Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on individual writers and key texts significant movements groups associations and periodicals and on the literary reactions to major national and international events such as revolutions and wars This book is an excellent resource for students researchers and anyone wanting to know more about French literature

The Gender of Modernity Rita FELSKE, 2009-06-30 In an innovative and invigorating exploration of the complex relations between women and the modern Rita Felski challenges conventional male centered theories of modernity She also calls into question those feminist perspectives that have either demonized the modern as inherently patriarchal or else assumed a simple opposition between men's and women's experiences of the modern world Combining cultural history with cultural theory and focusing on the fin de siècle Felski examines the gendered meanings of such notions as nostalgia consumption feminine writing the popular sublime evolution revolution and perversion Her approach is comparative and interdisciplinary covering a wide variety of texts from the English French and German traditions sociological theory realist and naturalist novels decadent literature political essays and speeches sexological discourse and sentimental popular fiction Male and female writers from Simmel Zola Sacher Masoch and Rachilde to Marie Corelli Wilde and Olive Schreiner come under Felski's scrutiny as she exposes the varied and often

contradictory connections between femininity and modernity Seen through the lens of Felski's discerning eye the last fin de siècle provides illuminating parallels with our own And Felski's keen analysis of the matrix of modernism offers needed insight into the sense of cultural crisis brought on by postmodernism

Reviewing **Figures Of Ill Repute Representing Prostitution In Nineteenth Century France**: Unlocking the Spellbinding Force of Linguistics
