File on Coward Jacqui Russell,1987 *Privateering and Piracy in the Colonial Period: Illustrative Documents* John Franklin Jameson,1923 A privateer is an armed vessel or its commander which in time of war though owners and officers and crew are private persons has a commission from a belligerent government to commit acts of warfare on vessels of its enemy

Pref *Stunned* JA Lafrance,2020-09-12 Ada Mathiens has been searching for her perfect job to kick off her advertising career She is finally able to land a job with the biggest advertising in her city While she is out celebrating with her family she runs into a man that would eventually be her everything But what happens when someone else thinks they deserves her and stalking her takes on a whole new meaning Will Luca be able to protect Ada or will the powers that be tear them apart for good

Cowardice Chris Walsh,2016-12-06 A provocative look at how cowardice has been understood from ancient times to the present Coward It s a grave insult likely to provoke anger shame even violence But what exactly is cowardice When terrorists are called cowards does it mean the same as when the term is applied to soldiers And what if anything does cowardice have to do with the rest of us Bringing together sources from court martial cases to literary and film classics such as Dante s Inferno The Red Badge of Courage and The Thin Red Line Cowardice recounts the great harm that both cowards and the fear of seeming cowardly have done and traces the idea of cowardice s power to its evolutionary roots But Chris Walsh also shows that this power has faded most dramatically on the battlefield Misconduct that earlier might have been punished as cowardice has more recently often been treated medically as an adverse reaction to trauma and Walsh explores a parallel therapeutic shift that reaches beyond war into the realms of politics crime philosophy religion and love Yet as Walsh indicates the therapeutic has not altogether triumphed contempt for cowardice endures and he argues that such contempt can be a good thing Courage attracts much more of our attention but rigorously understanding cowardice may be more morally useful for it requires us to think critically about our duties and our fears and it helps us to act ethically when fear and duty conflict Richly

illustrated and filled with fascinating stories and insights Cowardice is the first sustained analysis of a neglected but profound and pervasive feature of human experience **The Notorious Georges** Jonathan Swainger,2023-10-15 Boozy and boisterous The Georges the communities of South Fort George and Fort George that ultimately became Prince George acquired a seedy reputation for a century at times branded the dubious title of Canada s most dangerous city Is Prince George really such a bad lad The Notorious Georges explores how the pursuit of respectability collided with caricatures of a riotous settlement frontier in its early years Anxious about being marginalized by the provincial government and venture capitalists municipal leaders blamed Indigenous and mixed heritage people non preferred immigrants and transient labourers for local crime Jonathan Swainger combs through police and legal records government publications and media commentary to demonstrate that the disorder was not so different from the rest of the province and respectable white residents were often to blame This lively account tells us about more than a particular community s identity It also sheds light on small town disaffection in modern Canada **A Justifiable Obsession'** P.E. Bryden,2013-01-01 A Justifiable Obsession traces the evolution of Ontario s relationship with the federal government in the years following the Second World War Through extensive archival research in both national and provincial sources P E Bryden demonstrates that the province s successive Conservative governments played a crucial role in framing the national agenda although this central relationship has received little attention compared to those that have been more volatile As such Bryden s study sheds light on an important but largely ignored chapter in Canadian political history Bryden focuses on the politicians and strategists who guided the province through the negotiation of intergovernmental economic social and constitutional issues including tax policies the design of the new social welfare net and efforts to patriate the constitution Written in a lucid engaging style that captures the spirit of the politics of postwar Canada A Justifiable Obsession is a significant contribution to our understanding of Ontario s politics and political culture **The Coward's Option** Adam-Troy Castro,2017-08-16 Two stories from the early years of Andrea Cort later the heroine of the Philip K Dick Award winning novel Emissaries from the Dead The Coward s Option On the hostile home world of the Caith Andrea Cort has been assigned the case of a murderer who s been condemned to a horrible death All legal options have been exhausted but the Caith offer a rarely used alternative to execution one that purports to ensure that the accused will never break the law again Alas it s not so much another chance at life but deliverance into a hell far worse than mere death Tasha s Fail Safe Once she and Andrea Cort hated each other Now the victim of a savage assassination attempt by a traitor to the Confederacy she lies in an unresponsive state the identity of her assailant locked inside her head Can Andrea penetrate a vital secret she never even knew existed Other Andrea Cort stories available from JABberwocky With Unclean Hands Unseen Demons **A Dictionary of the English and German Languages: German and English** Christoph Friedrich Grieb,1863 **Monthly Catalogue, United States Public Documents** ,1995 **The Case Files of Jeweler Richard (Light Novel) Vol. 5** Nanako Tsujimura,2023-07-06 Back from
