**Is International Law International?** Anthea Roberts, 2017-09-18 This book takes the reader on a sweeping tour of the international legal field to reveal some of the patterns of difference dominance and disruption that belie international law's claim to universality Pulling back the curtain on the divisible college of international lawyers Anthea Roberts shows how international lawyers in different states regions and geopolitical groupings are often subject to distinct incoming influences and outgoing spheres of influence in ways that reflect and reinforce differences in how they understand and approach international law These divisions manifest themselves in contemporary controversies such as debates about Crimea and the South China Sea Not all approaches to international law are created equal however Using case studies and visual representations the author demonstrates how actors and materials from some states and groups have come to dominate certain transnational flows and forums in ways that make them disproportionately influential in constructing the international This point holds true for Western actors materials and approaches in general and for Anglo American and sometimes French ones in particular However these patterns are set for disruption As the world moves past an era of Western dominance and toward greater multipolarity it is imperative for international lawyers to understand the perspectives and approaches of those coming from diverse backgrounds By taking readers on a comparative tour of different international law academies and textbooks the author encourages them to see the world through the eyes of others an essential skill in this fast changing world of shifting power dynamics and rising nationalism

#### **Censorship and Literature in Fascist Italy**

Guido Bonsaver, 2007-01-01 The history of totalitarian states bears witness to the fact that literature and print media can be manipulated and made into vehicles of mass deception Censorship and Literature in Fascist Italy is the first comprehensive account of how the Fascists attempted to control Italy's literary production Guido Bonsaver looks at how the country's major publishing houses and individual authors responded to the new cultural directives imposed by the Fascists Throughout his study Bonsaver uses rare and previously unexamined materials to shed light on important episodes in Italy's literary history such as relationships between the regime and particular publishers as well as individual cases involving renowned writers like Moravia Da Verona and Vittorini Censorship and Literature in Fascist Italy charts the development of Fascist censorship laws and practices including the creation of the Ministry of Popular Culture and the anti-Semitic crack down of the late 1930s Examining the breadth and scope of censorship in Fascist Italy from Mussolini's role as prime censor to the specific experiences of female writers this is a fascinating look at the vulnerability of culture under a dictatorship
