I'd watch in amazement as she would literally dance across the messages of the cards hitting me right between the eyes with their messages of truth and wisdom. Her personal experience and understanding of them is obviously quite vast based on her own years of working experience. In a rare opportunity, Suzanne shares her incredible insights into how to read each and every card with her book *Integral Tarot*. Today I have a greater insight into myself. I start each day with my own personal readings. Using Suzanne's book as my guide, those cards speak truths directly to me even more clearly than when I was a passive observer getting read by someone else. Now I can hear my guardian angel speak right through me, and you will too. I highly recommend this book to you. It will change your life just as it continues to change mine." Joel Castleberg, Producer and Owner of Panama Pictures said this about the book: "I have owned and experimented with a Tarot deck for over 15 years and never really knew how to work with it. Working with Suzanne's Tarot book for only a short time has been extraordinary in

terms of learning about the Tarot but mostly as a guide in my own personal exploration of consciousness
