Fonda and Errol Flynn rarely lived up to the idealistic roles they portrayed. However, James Stewart was known as the underdog fighter in many of his films and in real life. He was highly decorated for his bravery during his time as a bomber pilot during World War II and was adored for his earnest and kindly persona. Here, many unknown sides of Stewart are revealed: his explosive temper, his complex love affairs, his service as a secret agent for the FBI, his innate shyness, and his passionate patriotism. Munn's personal touch shines through his writing as he was a friend of Stewart and his wife Gloria and interviewed them as well as their colleagues and friends. This definitive biography reveals the childhood ups and downs that formed this cinema hero, explores the legendary Fonda-Stewart relationship, and recounts Stewart's experiences making acclaimed films that include *The Philadelphia Story*, *Rear Window*, *Anatomy of a Murder*, *It's a Wonderful Life*, and *Mr. Smith Goes to Washington*. **James Stewart** Lawrence J. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a précis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system, which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure, etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.
