Fin De Siècle A Reader In Cultural History C 1880 19:

The Cambridge Companion to the Fin de Siècle Gail Marshall, 2007-08-02 Publisher description **The Fin de Siècle** Sally Ledger, Roger Luckhurst, 2000-10-05 In an important contribution to the developing field of interdisciplinary studies in the Humanities Ledger and Luckhurst make available to students and scholars a large body of non literary texts which richly configure the variegated cultural history of the fin de siècle years That history is here shown to inaugurate many enduring critical and cultural concerns with sections on Degeneration Outcast London The Metropolis The New Woman Literary Debates The New Imperialism Socialism Anarchism Scientific Naturalism Psychology Psychical Research Sexology Anthropology and Racial Science Each section begins with an Introduction and closes with Editorial Notes which carefully situate individual texts within a wider cultural landscape **Reinventing Marie Corelli for the Twenty-First Century** Brenda Ayres, Sarah E. Maier, 2019-04-30 With the purpose of introducing Marie Corelli to a new generation of readers and of reconsidering her works for generations familiar with them Reinventing Marie Corelli for the Twenty First Century demonstrates how provocative the author was as a public figure and how controversial and paradoxical were the views about womanhood and the supernatural pitched in her novels This collection of original essays focuses on three major battles that engaged Corelli her personal and public contentions her mercurial constructions of gender and resistance to the New Woman modality and her untenable reconciliation of science with the supernatural Corelli was often fighting several fronts at the same time she rarely was not at war with someone including herself Health and Girlhood in Britain, 1874-1920 H. Marland, 2013-07-12 This first major study of girls health in modern Britain explores how debates and advice on healthy girlhood shaped ideas about the lives of young women from the 1870s to the 1920s as theories concerning the biological limitations of female adolescence were challenged and girls moved into new arenas in the workplace sport and recreation

The Fin-de-Siècle World Michael Saler, 2014-11-20 This comprehensive and beautifully illustrated collection of essays conveys a vivid picture of a fascinating and hugely significant period in history the Fin de Siècle Featuring contributions from over forty international scholars this book takes a thematic approach to a period of huge upheaval across all walks of life and is truly innovative in examining the Fin de Siècle from a global perspective The volume includes pathbreaking essays on how the period was experienced not only in Europe and North America but also in China Japan the Middle East Latin America Africa India and elsewhere across the globe Thematic topics covered include new concepts of time and space globalization the city and new political movements including nationalism the New Liberalism and socialism and communism The volume also looks at the development of mass media over this period and emerging trends in culture such as advertising and consumption film and publishing as well as the technological and scientific changes that shaped the world at the turn of the nineteenth century such as the invention of the telephone new transport systems eugenics and physics The Fin de Siècle World also considers issues such as selfhood through chapters looking at gender sexuality adolescence race and class and

considers the importance of different religions both old and new at the turn of the century Finally the volume examines significant and emerging trends in art music and literature alongside movements such as realism and aestheticism This volume conveys a vivid picture of how politics religion popular and artistic culture social practices and scientific endeavours fitted together in an exciting world of change It will be invaluable reading for all students and scholars of the Fin de Siècle period

Victorian Christianity at the Fin de Siècle Frances Knight, 2015-10-23 The period known as the fin de siècle defined in this groundbreaking book as chiefly the period between 1885 and 1901 was a fluid and unsettling epoch of optimism and pessimism endings and beginnings as well as of new forms of creativity and anxiety The end of the century has attracted much interest from scholars of literary and cultural studies who regard it as a critical moment in the history of their disciplines but it has been relatively ignored by religious historians Frances Knight here sets right that neglect She shows how late Victorian society often said to be one of the most intensely Christian cultures the world has ever seen reacted to the bold agendas being set by the thinkers of the fin de siècle and how prominent Church figures during the era first identified many of the concerns that have preoccupied Christians latterly These include an active interest in social justice and the creation of new types of communities increasingly open discussion of the sexual exploitation of children debates about society's decadence new ideas about the role of women and the belief in the redemptive powers of art pioneered by figures as diverse as P T Forsyth Percy Dearmer and Samuel and Henrietta Barnett Examining in particular the Christian world of fin de siècle London the author offers penetrating insights into a society in which the ritual and culture of Christianity sometimes permeated the aesthetic movement and where devotees of the aesthetic movement like Walter Pater Oscar Wilde and their disciples often revealed a fascination with Christianity She argues that the long 1890s was a decisive decade in which various sections of Christian opinion both on the progressive and the more conservative wings of the faith began to express views which set the tone for attitudes which would become commonplace in the twentieth century Victorian Christianity at the Fin de Siècle is the focussed treatment of religion and culture at the end of the nineteenth century that the field has long needed It will be welcomed by scholars of church history social and cultural history and the history of ideas

Victorian Material Culture Victoria Mills, Kate Nichols, 2022-07-14 From chatelaines to whale blubber ice making machines to stained glass this six volume collection will be of interest to the scholar student or general reader alike anyone who has an urge to learn more about Victorian things The set brings together a range of primary sources on Victorian material culture and discusses the most significant developments in material history from across the nineteenth century The collection will demonstrate the significance of objects in the everyday lives of the Victorians and addresses important questions about how we classify and categorise nineteenth century things This volume on Victorian Arts will include sources on painting sculpture book illustration photography and the much neglected area of Victorian stained glass

[Resist Everything Except Temptation](#) Kristian Williams, 2020-06-02 Oscar Wilde is remembered as a wit and a dandy as a gay martyr and as a brilliant writer but

his philosophical depth and political radicalism are often forgotten Resist Everything Except Temptation locates Wilde in the tradition of left wing anarchism and argues that only when we take his politics seriously can we begin to understand the man his life and his work Drawing from literary historical and biographical evidence including archival research the book outlines the philosophical influences and political implications of Wilde s ideas on art sex morality violence and above all individualism Williams raises questions about the relationships between culture and politics between utopian aspirations and practical programs and between individualism group identity and class struggle The resulting volume represents not merely a historical curiosity but a contribution to current debates within political theory and a salvo in the broader culture wars

Authors in Context: Oscar Wilde John Sloan,2003-04-10 Wit dandy literary anarchist self publicist and homosexual martyr Wilde achieved fame and notoriety at a time when mass culture and communication promoted the new in every area of British life This book examines the rich interplay between Wilde s society and his writings and shows the remarkable recontextualizing of Wilde and his work in film stage and the media in the century following his death Authors in Context examines the work of major writers in relation to their own time and to the present day Combining history with lively literary discussion each volume provides comprehensive insight into texts in their context Wit dandy literary anarchist self publicist and homosexual martyr Wilde achieved fame and notoriety at a time when mass culture and communication promoted the new in every area of British life New Women New Hedonism New Journalism New Imperialism His plays tales and critical writings questioned traditional attitudes to religion sexuality women and the home crime and punishment and the freedom of the individual This book examines the rich interplay between Wilde s society and his writings and shows the remarkable recontextualizing of Wilde and his work on stage in film and the media in the century that has followed his death *Gender, Orientalism and the Jewish Nation* Lynne M. Swarts,2020-01-23 Ephraim Moses Lilien 1874 1925 was one of the most important Jewish artists of modern times As a successful illustrator photographer painter and printer he became the first major Zionist artist Surprisingly there has been little in depth scholarly research and analysis of Lilien s work available in English making this book an important contribution to historical and art historical scholarship Concentrating mainly on his illustrations for journals and books Lynne Swarts acknowledges the importance of Lilien s groundbreaking male iconography in Zionist art but is the first to examine Lilien s complex and nuanced depiction of women which comprised a major dimension of his work Lilien s female images offer a compelling glimpse of an alternate independent and often sexually liberated modern Jewish woman a portrayal that often eluded the Zionist imagination Using an interdisciplinary approach to integrate intellectual and cultural history with issues of gender Jewish history and visual culture Swarts also explores the important fin de si cle tensions between European and Oriental expressions of Jewish femininity The work demonstrates that Lilien was not a minor figure in the European art scene but a major figure whose work needs re reading in light of his cosmopolitan and national artistic genius **Thomas Hardy in Context** Phillip Mallett,2013-03-18 This collection covers

the range of Thomas Hardy's works and their social and intellectual contexts providing a comprehensive introduction to Hardy's life and times. Featuring short lively contributions from forty-four international scholars, the volume explores the processes by which Hardy the man became Hardy the published writer, the changing critical responses to his work, his response to the social and political challenges of his time, his engagement with contemporary intellectual debate and his legacy in the twentieth century and after. Emphasising the subtle and ongoing interaction between Hardy's life, his creative achievement and the unique historical moment, the collection also examines Hardy's relationship to such issues as class, education, folklore, archaeology and anthropology, evolution, marriage and masculinity, empire and the arts. A valuable contextual reference for scholars of Victorian and modernist literature, the collection will also prove accessible for the general reader of Hardy.

Book Destruction from the Medieval to the Contemporary G. Partington, A. Smyth, 2014-09-09

This rich and varied collection of essays by scholars and interviews with artists approaches the fraught topic of book destruction from a new angle, setting out an alternative history of the cutting, burning, pulping, defacing and tearing of books from the medieval period to our own age.

Arthur Machen Antonio Sanna, 2021-04-21

Arthur Machen Critical Essays offers a study of the works by Arthur Machen 1863-1947, the Welsh writer who has attracted a cult following for decades, especially among fans and scholars of weird fiction and Gothic studies. These essays take readers into different areas and address several topics in Machen's literary production: the literary, the artistic, the scientific, the religious, the socio-cultural and the personal. The twelve chapters constituting the volume examine the representation of human beings in the writer's works and their relationship with the surrounding environment, whether it is the omnipresent London or the mysterious menacing nature. The contributors also interpret Machen's writings through a series of disciplines and academic theories that were contemporary to the writer, such as paleontology and medicine, and demonstrate how he was influenced by the scientific discourses of his time and reproduced them in his works. The last section of the volume considers Machen's interest in the occult and mysticism and the religious themes present in many of his works.

Popular Print Media: 1820-1900 Andrew King, John Plunkett, 2023-01-06

First published in 2004, *Popular Print Media: 1820-1900* makes available a selection of articles from nineteenth-century newspapers, periodicals and books which are otherwise unavailable except in their original publications. The collection also includes a significant amount of material that highlights the complex and changing importance of women in and for the nineteenth-century media at large. The collection is made up of three volumes divided into six sections and will cover the following themes: technology, reading spaces, influence of print, graphic media, serial fiction, periodicals and the popular. Each section includes a new introduction by the editors. The editors will also include a thematic table that enables readers to pursue a specific conceptual and/or historical issue, such as the impact of serial publication upon practices of reading and authorship.

Neo-Victorianism Ann Heilmann, Mark Llewellyn, 2010-07-28

This field-defining book offers an interpretation of the recent figurations of neo-Victorianism published over the last ten years. Using a range of

critical and cultural viewpoints it highlights the problematic nature of this new genre and its relationship to re interpretative critical perspectives on the nineteenth century

Richard Marsh Minna Vuohelainen,2015-08-26 Richard Marsh Richard Bernard Heldmann 1857 1915 was a bestselling versatile and prolific author of gothic crime adventure romantic and comic fiction This book the first on Marsh establishes his credentials as a significant agent within the fin de si cle gothic revival Marsh s work spans a range of gothic modes including the canonical fin de si cle subgenres of urban and imperial gothic and gothic inflected sensation and supernatural fiction but also rarer hybrid genres such as the comic gothic and the occult romance His greatest success came in 1897 when he published his bestselling invasion narrative *The Beetle A Mystery* a novel that articulated many of the key themes of fin de si cle urban gothic and outsold its close rival Bram Stoker s *Dracula* well into the twentieth century The present work extends studies of Marsh s literary production beyond *The Beetle* contending that in addition to his undoubted interest in non normative gender and ethnic identities Marsh was a writer with an acute sense of spatiality whose fiction can be read productively through the lens of spatial theory

The Return of Nature John Bellamy Foster,2020-06-16 Winner 2020 Isaac and Tamara Deutscher Memorial Prize A fascinating reinterpretation of the radical and socialist origins of ecology Twenty years ago John Bellamy Foster s *Marx s Ecology Materialism and Nature* introduced a new understanding of Karl Marx s revolutionary ecological materialism More than simply a study of Marx it commenced an intellectual and social history en compassing thinkers from Epicurus to Darwin who developed materialist and ecological ideas Now with *The Return of Nature Socialism and Ecology* Foster continues this narrative In so doing he uncovers a long history of the efforts to unite questions of social justice and environmental sustainability and helps us comprehend and counter today s unprecedented planetary emergencies *The Return of Nature* begins with the deaths of Darwin 1882 and Marx 1883 and moves on until the rise of the ecological age in the 1960s and 1970s Foster explores how socialist analysts and materialist scientists of various stamps first in Britain then the United States from William Morris and Frederick Engels to Joseph Needham Rachel Carson and Stephen J Gould sought to develop a dialectical naturalism rooted in a critique of capitalism In the process he delivers a far reaching and fascinating reinterpretation of the radical and socialist origins of ecology Ultimately what this book asks for is nothing short of revolution a long ecological revolution aimed at making peace with the planet while meeting collective human needs

Unmapped Countries Anne-Julia Zwierlein,2005-03-15 This important new book including contributions from some of the most distinguished experts in the field demonstrates that the relation between literature culture and biology in the nineteenth century is far more complex than habitual references to Darwin would have us believe

Special Branch Ray Wilson,2015-08-20 Initially tasked with combatting the threat of Irish republican terrorists in the reign of Queen Victoria the Metropolitan Police Special Branch went on to play a major role in the defence of the realm for over 120 years Over time the Branch as it came to be known assumed a much wider role and was held responsible for monitoring the activities of

anarchists Bolsheviks and even the suffragettes Later it became the executive arm of MI5 in dealing with espionage cases as much to their frustration the Security Service had no power to arrest potential spies As the war against terrorism became more intense in the latter half of the twentieth century Special Branch worked closely with the Anti Terrorist Branch in tackling this new threat Packed with accounts of extraordinary missions life saving acts of bravery and high risk intelligence gathering Special Branch offers the first complete history of this unique but now defunct service which was subsumed into the Counter Terrorism Command of the Metropolitan Police in 2006 Special Branch veterans Ray Wilson and Ian Adams have brought this long and distinguished history to life with the help of recollections from former colleagues as well as their own experiences of life in the Branch In doing so they have also illuminated the underlying friction marring its relations with the Security Service without doubt a factor in its eventual demise

The Early Fiction of H.G. Wells S. McLean, 2009-04-17 This book explores the relationship between H G Wells s scientific romances and the discourses of science in the 1890s and early years of the twentieth century It investigates how Wells utilizes his early fiction to participate in a range of topical scientific disputes and increasingly as a means to instigate social reform
