**Bill Clinton** Patrick J. Maney,2021-04-15 Of the original Gilded Age historian Richard Hofstadter wrote There is no other period in the nation s history when politics seems so completely dwarfed by economic changes none in which the life of the country rests so completely in the hands of the industrial entrepreneur The era of William Jefferson Clinton s ascent to the presidency was strikingly similar nothing less Clinton himself said than a paradigm shift from the industrial age to an information technology age from the Cold War to a global society How Bill Clinton met the challenges of this new Gilded Age is the subject of Patrick J Maney s book an in depth perspective on the 42nd president of the United States and the transformative era over which he presided Bill Clinton New Gilded Age President goes beyond personality and politics to examine the critical issues of the day economic and fiscal policy business and financial deregulation healthcare and welfare reform and foreign affairs in a post Cold War world But at its heart is Bill Clinton in all his guises the first baby boomer to reach the White House the natural the most gifted politician of his generation but one with an inexplicably careless and self destructive streak the Comeback Kid repeatedly overcoming long odds the survivor frequently down but never out and with Hillary Rodham Clinton part of the most controversial First Couple since Franklin and Eleanor Roosevelt Maney s book is in sum the most succinct and up to date study of the Clinton presidency invaluable not merely for understanding a transformative era in American history but presidential national and global politics today

Historical Dictionary of the Clinton Era Richard S. Conley,2012-03-15 William Jefferson Clinton s legacy remains a matter of significant contention among historians political scientists and pundits even after a decade of time to reflect The narrative of Clinton s two terms may be in some sense the tale of two different men or at least two incongruous public views of the nation s 42nd chief executive On the one hand there is the Clinton who left the White House more popular than when he took office entering with a 58 percent approval rating and leaving with a 66 percent approval rating On the other hand an ABC News poll conducted on his last day showed that 67 percent of Americans said Clinton was not honest and trustworthy The Historical Dictionary of the Clinton Era covers both sides of the Clinton presidency through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities including the president his advisors his family his opponents and his critics as well as members of Congress military leaders and international leaders This book is a vital access point for students researchers and anyone interested in the presidency of Bill Clinton

**Politics of Fear** Manuel G. Gonzales,Richard Delgado,2015-12-03 Lucidly written widely informed and uncompromisingly honest a valuable expose Michael Parenti Documents the stunning success of a network of wealthy donors and corporations in creating and sustaining a set of think tanks legal action groups and media

strategies Gary Orfield Harvard University What explains the electoral success of Republicans particularly of the ascendant neoconservatives who now dominate the Party Based on a thorough and up to date examination of the New Right over twenty five years The Politics of Fear proposes some provocative answers including globalization new technologies and a far reaching network of right wing think tanks and foundations As the authors show all have opened the doors to a new politics of fear successfully waged by the neoconservatives By manipulating insecurity the New Right has created an extraordinarily successful populist conservative movement Utilizing extensive documentation the authors argue convincingly that the fear of immigrants and racial minorities has served as the most effective tactic in the GOP arsenal while their approach also implicates gays feminists and terrorists The book explains why Americans have willingly supported a party that promises them security just as it delivers greater economic and political insecurity The authors argue that despite their striking political successes neoconservatives have delivered to voters a set of policies harmful to working Americans in the way of regressive tax measures military exploits tort reform deregulation and environmental destruction

**Donkey Cons** Lynn Vincent, Robert Stacy McCain, 2006-04-02 There is a double standard for Democrat and Republican criminals An irresistible book that reminds us what the New York Times wants us to forget David Horowitz Publisher FrontPage Magazine Shameless bribery Illicit sex Sweeping corruption The Democratic Party is like the Gambino mob but with matching federal funds In this raucous head spinning look at the follies and felonies of today s most famous and infamous liberals journalists Lynn Vincent and Robert Stacy McCain chronicle for the first time the rampant crime sex and corruption of the Democratic Party Donkey Cons reveals How corrupt Democrats in Congress outnumber corrupt Republicans by as much as three to one How Franklin Roosevelt Harry Truman and John F Kennedy were elected with the help of the Mob What two eyewitnesses said about JFK s obsession with hookers How union operatives take from working families to deliver millions of dollars to Democrats How Democrats in the 1990s covered up a conspiracy one expert called the largest incidence of obstruction of justice in American history Why Democrats ignore crime victims and take the side of rapists robbers and cop killers then stump for the right of felons to vote From bribery kickbacks and sex scandals to espionage terrorism and rape what was once the Party of the People has become a party with an appallingly long rap sheet And this hard hitting sad but funny expos of the crimes of the Democratic Party finally puts all their misdeeds into perspective Thoroughly researched using outrageous anecdotes and intimate details Donkey Cons shows that the serial corruption of the Clinton presidency wasn t an anomaly but a developing unnerving pattern in the modern Democratic ethos These are the stories the Democrats don t want you to read
