Final Generation The Understanding The Day Of The Lord:

Z: The Final Generation Arnold V Page, 2018-08-29 What does the future hold for Generation Z the current crop of children and young people Nothing less than the most exciting event in history In this controversial and powerfully argued book researcher and Bible teacher Arnold V Page contends that Z the final letter of the alphabet will also be the final generation that grows to adulthood before Jesus Christ returns to establish justice peace and righteousness throughout the earth The style is very simple and accessible and the reader will feel that this is a well researched and brilliantly articulated work Ruffina Oserio ReadersFavorite com The message of this book is accompanied by great illustrations and statistics that allow readers a clear understanding of what it is all about Z The Final Generation will make readers question their faith and embrace the excitement of an encounter with Jesus Its a gift of faith one that should be read and passed on Romuald Dzemo ReadersFavorite com [The Scroll](#) , **The Day of the Lord, Second Edition** Louis Diedricks, 2013-08-09 The Day of the Lord Second Edition once again investigates the Bibles apocalyptic texts and reveals flaws in current interpretations helping readers to clarify the ties between the Bibles prophecies of the end of days and events unfolding in contemporary culture Author Louis Diedricks harvests the fruits of years of biblical study and of his reflections on current events in explaining the day of the Lord After providing a forewarning of intense imagery and descriptions in the Bibles apocalyptic texts The Day of the Lord devotes most of its chapters to intensively examining the Bibles Revelation Several chapters also focus on end time portions of the Old Testaments Daniel In the end The Day of the Lord affords readers with the insights needed to make choices about whether they wish to believe in Gods Word and live a prudent and just life or whether they wish to not believe in Gods word so that they may live for their flesh resulting in immoral and unjust works If you have harbored curiosity and perhaps even fear about what the Bible really says about the end of days or if you have wondered about the meaning of the events unfolding in the world today then The Day of the Lord can guide you to making sense of the present day in light of the Scriptures witness to Gods plans **The Sequence** Steven R. Bates, 2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn't Today's typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i.e Paul's letters to the Thessalonians the Olivet Discourse and John's visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there's only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another

sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one sequence and it is the one which has been presented in The Sequence **The People's New Testament Commentary** M. Eugene Boring,Fred B.

Craddock,2010-01-01 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people s book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible *Hosea, Joel, Amos, Obadiah, Jonah, Micah* Trent C. Butler,2005 No other book in the Bible compares with the wonder of the sacred collection of inspired worship songs known as the Psalms Considered by many to be the most loved portion of Scripture the Psalms have been a bedrock of comfort and a tower of strength for believers in every experience of life This is the second of two volumes in the Holman Old Testament Commentary given to the Psalms that provide commentary on Psalms chapters 76 150 Some of the key Psalms receive an added in depth treatment that includes exposition illustrations and teaching plans [http www christianbook com](http://www.christianbook.com) *End-Time Events* Randall Cobb,2025-01-07 As I visit different congregations I find that 98 percent of them do not teach the truth when it comes to the end times I happen to believe that everyone needs to know the truth when it comes to end time events so they know what to look for such as falling away the tribulation period and the final judgment The Bible clearly instructs us to be vigilant I have covered all the events leading up to the return of Christ But it also teaches that no one can say for certain that we are living in the end times This is at best a debatable proposition Jesus himself repeatedly said that no one knows or can know the day or hour of his return Matthew 24 36 Mark 13 32 Acts 1 7 To be sure we are surrounded by events and developments that could be interpreted as signs of the end On every corner we see famines earthquakes disasters troubles persecutions wars and rumors of wars Mark 13 7 9 But has there ever been a period in the history of the world when this was not the case

battle is brewing It is a battle for the heart and soul of our nation The cold war being waged against Americas sovereignty exceptionalism Christian heritage and rule of law is rooted in spiritual hatred for our being a nation in covenant with Almighty God Accelerated by the rise of Barack Obama and Congress failure to restrain his overreach citizen outrage has reached an all time high The lines between tyranny and liberty are being defined and enemies both foreign and domestic are hard at work to destroy even the foundations This is the final push and the cold war will go hot War is coming to America and it s coming soon to a street corner near you Meanwhile the American church snoozes and contents itself with pretty buildings feel good sermons Jesus tattoos hip songs light shows and big drums elaborate productions potlucks and abandonment theology The pulpits the firebrands of the revolution in the 1700 s have gone silent on issues pertaining to liberty and tyranny God and Country A wake up call is fast approaching Using scripture and current events In Defense of a Nation frames the final showdown for America in a way that will cause you to lose sleep It examines such questions as Is America a lucky anomaly in human history or is it a deliberate act of God Who is America in the Bible What will the inevitable clash between Islam and Communism vs America and the Jewish State of Israel look like When will it occur What is the beast system of the Bible and who is the son of perdition Who is the community organizer in Scripture that carried the anti Christ messages of social justice and redistribution of wealth How are the politics of Judas being deployed against America today and when will his final kiss of betrayal come Who is the real Barack Obama why him why now What does the end game look like for America If you want to be on the cutting edge of events as they unfold then In Defense Of A Nation is a must read America is beyond the tipping point and quickly approaching the flash point which will comewhether you like it or notwhether youre ready or not You will not be allowed to sit this out The good news is the complete destruction of the corrupt political establishment within America followed by a spiritual awakening in we the people concluding with liberty for our land and citizens once again America s toughest days are just ahead But so is our crowning moment in history And you have come to the Kingdom for such a time as this Now make it count

The Church and the Tribulation Robert Horton Gundry,1973 A biblical examination of posttribulationism

The Day and the Hour Robin H. Hitsman,2011-05 Do you believe Jesus Christ is coming to get his church very soon like He said He would There is a stirring in the heavenly realms like this generation has never known The world can sense it but can the sons and daughters of God The world is looking for the pomp and circumstance of a star and this will deceive many The church needs to have different expectations The Word of God tells us to look forward to the coming of our Savior Jesus who said He would come back for His saints when it was time Do you trust the Word of God Do you believe what He says Like the parable of the ten virgins in Matthew the church needs to be ready for the return of her bridegroom Using mathematical calculations and Scripture Robin Hitsman shows that Old Testament prophecy is how we can determine exactly when the Second Coming will occur Woven throughout Scripture is the answer to life s most important question and we need to be ready waiting and watching because The Day and the Hour Is Sooner Than We Think

Revelation 6-16, Volume 52B Dr. David Aune, 2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation: the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure: Setting a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment: verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation: brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1) within the context of the book itself; 2) its meaning in the OT or NT; 3) its place in the entire canon; 4) theological relevance to broader OT or NT issues. General Bibliography: occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.
