Final Truth Mariah Stewart, 2007-02-27 From New York Times bestselling author Mariah Stewart comes a novel of sexy romantic suspense for fans of Nora Roberts Catherine Coulter and Karen Robards In her thrill packed trilogy Cold Truth Hard Truth and Dark Truth Mariah Stewart proved beyond a shadow of a doubt that she can brilliantly and suspensefully handle the truth Can you Then prepare yourself for the shocking eye opening Final Truth in which a woman who specializes in exposing lies finds herself trapped in a real life nightmare All that stands between Lester Ray Barnes and the state of Florida s death chamber is a judge s signature He is sentenced to die for the rape and murder of a young woman his conviction hinging on two pieces of evidence DNA testing and an eyewitness who placed him at the scene But when the story breaks that the DNA testimony at trial had been fabricated and that the eyewitness was coerced by a cop all hell breaks loose In the absence of credible evidence to sustain the conviction the court is forced to set Lester Ray free It s the sort of circus the media adore until it turns into the kind of Grimm s fairy tale the media love even more Intrigued by the story of a young man railroaded by justice true crime writer Regan Landry is drawn into Lester Ray s camp like a moth to a flame For Regan writing is a way to stay connected to her late literary legend father and her knack for detective work makes her a natural when it comes to uncovering new leads in even the murkiest mysteries Eager for the spotlight Lester Ray willingly agrees to work with Regan on a tell all about his experience as an innocent man on death row But less than a week after leaving prison he vanishes from the Sunshine State Soon after darkness descends on the outer banks of North Carolina as a string of women are raped and murdered in a frenzied spree Fearing the worst Regan along with Special Agent Mitch Peyton and the FBI sweeps in to confront the unspeakable the horrifying possibility that they have helped to free a cunning monster with an insatiable appetite for death and a ruthless determination never to be caged again **The Final Truth** Deep

Throat, 2003-06-06 This book reveals the truth for the first time about some of the most sought after information for generations If you are interested in the unknown and want information or religious and waiting for answers the most holy of all information is made public by the well known household name representing truth amidst secrecy A book can not offer tangible proof but because I am a scientist and worked on many aspects of these revelations perhaps it may convince you as I am convinced This book tries to explain the high respect the government has for the laws of the nation and its citizens but at the same time why it has another unique responsibility to preserve and protect infinite life This book explains how the storyteller has been made by the story itself There is not any part of the story which is normally believable but I lived it and you lived through some of it as well Watergate did happen I explain how I found out the truth and why I have come to my conclusions Instead of trying to fight the truth as so many others have done before me being a scientist the most statistically probable answers are arrived at Then the proof offered me personally through delegated authority is explained to you
