A Code of Jewish Ethics: Volume 1

Rabbi Joseph Telushkin, 2006-03-07 **A Code of Jewish Ethics Volume 1 You Shall Be Holy** is the initial volume of the first major code of Jewish ethics to be written in the English language. It is a monumental work on the vital topic of personal character and integrity by one of the premier Jewish scholars and thinkers of our time. With the stated purpose of restoring ethics to its central role in Judaism, Rabbi Joseph Telushkin offers hundreds of examples from the Torah, the Talmud, rabbinic commentaries, and contemporary stories to illustrate how ethical teachings can affect our daily behavior. The subjects dealt with are ones we all encounter. They include judging other people fairly, knowing when forgiveness is obligatory, optional, or forbidden, balancing humility and self-esteem, avoiding speech that shames others, restraining our impulses of envy, hatred, and revenge, valuing truth but knowing when lying is permitted, understanding why God is the ultimate basis of morality, and appreciating the great benefits of Torah study. Telushkin has arranged the book in the traditional style of Jewish codes, with topical chapters and numbered paragraphs. Statements of law are almost invariably followed by anecdotes illustrating how these principles have been or can be practiced in daily life. The book can be read straight through to provide a solid grounding in Jewish values, consulted as a reference when facing ethical dilemmas, or studied in a group. Vast in scope, this volume distills more than three thousand years of Jewish laws and suggestions on how to improve one's character and become more honest, decent, and just. It is a landmark work of scholarship that is sure to influence the lives of Jews for generations to come, rich with questions to ponder and discuss, but primarily a book to live by.

A Code of Jewish Ethics, Volume 2 Rabbi Joseph Telushkin, 2009-02-10 Jewish thinkers don't talk all that much about love. All too often we leave that to Christian theologians. But in this excellent volume, Rabbi Joseph Telushkin puts the commandment to love at the center of Jewish theology and experience. This is a book that will change the way you think about and practice Judaism. Professor Ari L. Goldman, Columbia University and author of *The Search for God at Harvard*, "Love your neighbor as yourself" is the best known commandment in the Bible. Yet we rarely hear anyone talk about how to apply these words in daily life. In this landmark work, Rabbi Joseph Telushkin, one of the premier scholars and thinkers of our time, gives both Jews and non-Jews an extraordinary summation of what Jewish tradition teaches about putting these words into practice. Writing with great clarity and simplicity, as well as with deep wisdom, Telushkin covers topics such as love and kindness, hospitality, visiting the sick, comforting mourners, charity, relations between Jews and non-Jews, compassion for animals, tolerance, self-defense, and end-of-life issues. This second volume of the first major code of Jewish ethics written in the English language is breathtaking in its scope and will undoubtedly influence readers for generations to come. It offers hundreds of practical examples from the Torah, the Talmud, the Midrash, and both ancient and modern rabbinic commentaries, as well as contemporary anecdotes, all teaching us how to care for one another each and every day. **A Code of Jewish Ethics Volume 2: Love Your Neighbor as Yourself** is a consummate work of scholarship. Like its acclaimed predecessor, which received the National Jewish Book Award, it is rich with ideas to contemplate and discuss while being primarily a book to live by. Nothing could be more important in these strife

torn times than learning how to love our neighbors as ourselves The message of this book is as vital and timely now as it has been since time immemorial **The Pornographer's Tragedy** David Conway,2014-06-03 PORNOGRAPHY POLITICS POWER An eruption of sacrilegious slaughter a symbolic reign of terror unleashed by a mysterious assassin known only as the Samaritan exposes a vicious underworld of sadistic depravity ritual obscenity and quintessential evil lurking beneath the civilised veneer of metropolitan London Investigating the slayings with the help of Dr Cassandra Stark an enigmatic and brilliant psychiatrist Detective Inspector James Verlaine is plunged into an infernal nightmare of snuff pornography political corruption and a labyrinthine conspiracy dedicated to a monstrous totalitarian agenda And when he finally discovers the Samaritan s true identity Verlaine must confront the insidious power wielded by a secret elite that operates above the law and a sinister technology designed to enslave the minds of millions The Ten Commandments of Character Rabbi Joseph Telushkin,2007-12-18 Here is a wealth of astute and warmhearted counsel on many of life s most difficult ethical dilemmas Joseph Telushkin outlines his ten commandments of character explaining why each one is so vital and then addresses perplexing issues that can and often do crop up in our lives relating to family friends work community medical ethics and money such as How honest should you be when you are asked to give a reference How much assistance should you give your son with his college application essay Is it wrong to receive a kidney from an executed prisoner in China What should you do if your father begs you to end his life rather than allow him to descend into the hell of Alzheimer s Should a brother give up part of his inheritance if his sister has children and considerable expenses and he doesn t Should a dying woman reveal to her husband that their son is not really his Many of us are finding it increasingly hard to tread the fine line between right and wrong In *The Ten Commandments of Character* Telushkin faces these issues squarely and shows us how to live a life of true integrity At a time when so many people are looking for moral guidance we are lucky to have Joseph Telushkin as our guide and teacher I am thoroughly impressed by his wisdom and good sense Rabbi Harold Kushner author of *When Bad Things Happen to Good People* ACADEMIA: The Law of the Jungle Carl Douglass,2015-09-30 *Academia The Law of the Jungle* by Author Carl Douglass neurosurgeon turned author who writes with such gripping realism is a novel of a driven man who finally gets to be a surgeon in training and then an academic neurosurgeon on his way to the top of his profession He watched the fall from glory of his mentor and came face to face with his greatest opponents in the fang and claw competition of a merciless competition at the heights of prestige *A Shot Rang Out* Jon L.
