Modernizing Local Government Taxation in Indonesia Asian Development Bank,2022-03-01 In Indonesia the provincial city and regency governments typically rely on the central government for financial support A shift toward the collection of their own tax revenues would strengthen local governments autonomy and encourage accountability to their communities During 2015 2020 the Tax Revenue Administration Modernization and Policy Improvement in Local Governments TRAMPIL project supported by the Asian Development Bank provided technical assistance to help Indonesia s subnational governments collect more locally sourced tax revenues This report describes the challenges and achievements of TRAMPIL project activities It presents TRAMPIL s policy recommendations in the context of Indonesia s economic and legal parameters on regional autonomy

Indonesian Law 1949-1989 Pompe,2023-09-20 This work is unique since it is the first comprehensive bibliography on Indonesian Law listing materials in various languages

including Russian Japanese and Chinese The bibliography is divided into various fields of law and each chapter starts with an introduction on the related field The growing economic importance of Indonesia and the increasing trade relations with this country call for an instrument on how to find the law in Indonesia This bibliography will fill this gap as it includes all material on Indonesian law in a non Indonesian language which has been published since 1949 *Indonesia Municipal Finance and Shelter Program* G. Thomas Kingsley,1991 **Local Government Finance and Bond Markets** Yun-hwan Kim,2003 Publisher Description [Municipal Government in Indonesia](#) Nicole Niessen,1999 **Reforming Intergovernmental Fiscal Relations and the Rebuilding of Indonesia** James Alm,Jorge Martinez-Vazquez,Sri Mulyani Indrawati,2005-01-01 Indonesia is currently facing some severe challenges both in political affairs and in economic management One of these challenges is the recently enacted decentralization program now well underway which promises to have some wide ranging consequences This edited volume presents original papers written by a select group of widely recognized and distinguished scholars that take a hard objective look at the many effects of decentralization on economic and political issues in Indonesia There are many questions about this program how will it be implemented is there capacity at the local level to implement its reforms is there sufficient local political accountability to make it work and how will the decentralization affect the broader program of economic growth and stabilization Topics covered include the historical and political dimensions of decentralization its macroeconomic effects its effects on poverty alleviation the assignment of expenditure and revenue functions across levels of government the design of transfers the role of natural resource taxation and the effects of local government borrowing An authoritative comprehensive collection Reforming Intergovernmental Fiscal Relations and the Rebuilding of Indonesia will be of interest to economists and policy makers as well as students of public finance development and Asian economics **Foreign Operations, Export Financing, and Related Programs Appropriations for 2002** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations, Export Financing, and Related Programs,2001 [Innovative Infrastructure Financing through Value Capture in Indonesia](#) Asian Development Bank,2021-05-01 Indonesia needs significant additional infrastructure investment to sustain its economic growth However the COVID 19 pandemic has further limited the fiscal space of the government This report proposes a new method to increase infrastructure investment based on the concept of value capture The report studies how Indonesia s existing policies and regulations can be used to build a value capture framework that ensures the maximization of the social economic and environmental value of infrastructure investments The framework focuses on strategies to deliver infrastructure projects that create greater value and at the same time generate funding for up front investment [The Development Dimension Road and Rail Infrastructure in Asia Investing in Quality](#) OECD,2018-10-06 Road and Rail Infrastructure in Asia Investing in Quality discusses the challenges facing the region and possible policy options including those previously or currently used in Emerging Asian countries with reference to the experiences of OECD member countries *Australian National Bibliography*

,1978 **Indonesia, Law and Society** Timothy Lindsey,2008 Since the first edition Indonesia has undergone massive political and legal change as part of its post Soeharto reform process and its dramatic transition to democracy This work contains 25 new chapters and the 4 surviving chapters have all been revised where necessary Indonesia Law and Society now covers a broad range of legal fields and includes both historical and very up to date analyses and views on Indonesian legal issues It includes work by leading scholars from a wide range of countries There is still no comparable English language text in existence **OECD Studies on Water Water Financing and Disaster Risk Reduction in Indonesia Highlights of a National Dialogue on Water** OECD,2023-06-20 This report presents the policy recommendations resulting from the

National Dialogue on Water in Indonesia which took place between June 2022 and March 2023 Getting water resources management right underpinned with appropriate financing mechanisms is a prerequisite for realising Indonesia's ambitious national economic growth agenda to become one of the top five global economies by 2045 The Dialogue therefore centred around two priority areas 1 financing water infrastructure and 2 non structural measures for flood disaster risk reduction The report explores several instruments to enhance the financing of water services in Indonesia such as the advantages and disadvantages of uniform water tariffs independent economic regulation pollution charges and demand management instruments The report recommends the utilisation of land value capture as an additional source of financing It also explores how water information systems for disaster response flood forecasting and early warning can reduce flood disaster risk The National Dialogue on Water in Indonesia is part of a regional initiative with the Ministry of Environment of the Republic of Korea the Asia Water Council and the OECD *Building Resilience of the Urban Poor in Indonesia* Asian Development Bank,2022-01-10 Climate risk threatens Indonesia's socioeconomic development and it is likely to exacerbate the plight of Indonesians living below and close to the poverty line Urban areas are hot spots of such risk disproportionately impacting the lives livelihoods and well being of the poor and near poor who often live in slums and informal settlements Growing urbanization and increasing climate risk make it imperative to strengthen the resilience of the urban poor through interventions that promote coping incremental and transformational strategies This report identifies pro poor climate resilience solutions and their concomitant enabling factors building on national policies and programs and taking into account Indonesia's priority sectors for climate resilient development **Public Sector Accountants and Quantum Leap:**

Nationalism and Ethnic Conflict in Indonesia Jacques Bertrand, 2004 Since 1998 which marked the end of the thirty three year New Order regime under President Suharto there has been a dramatic increase in ethnic conflict and violence in Indonesia In his innovative and persuasive account Jacques Bertrand argues that conflicts in Maluku Kalimantan Aceh Papua and East Timur were a result of the New Order's narrow and constraining reinterpretation of Indonesia's national model The author shows how at the end of the 1990s this national model came under intense pressure at the prospect of institutional transformation a reconfiguration of ethnic relations and an increase in the role of Islam in Indonesia's political institutions It was within the context of these challenges that the very definition of the Indonesian nation and what it meant to be Indonesian came under scrutiny The book sheds light on the roots of religious and ethnic conflict at a turning point in Indonesia's history
