brave or foolish enough to come forward are themselves eliminated A retired couple doing research for a book are savagely murdered for what they saw in the desert Those crimes terrify a family with first hand information of a drug smuggling operation possibly protected by Americas own border patrol officials Fearful not knowing if local law enforcement can be trusted they turn to a Washington connection Arrests are followed by savage retaliation and intimidation by the drug alliance Eventually the president orders the elimination of the cartels leaders in their protected Mexican compounds But it is not over the terrorists are still here *Deeper Splendor* Robert P.
