America's most heralded family and an inspiring legacy to readers and to history and a deeply moving story of a life like no other

America Back on Track Edward M. Kennedy, 2007-08-28 The four decade senator identifies a crossroads in America while contending that the country has stepped away from its basic ideals in a call for national reform that proposes changes to national security health care education civil rights energy and the environment Reprint 35 000 first printing **Edward Kennedy**

Burton Hersch, 2010-08-10 In this groundbreaking biography of Edward Kennedy historian and journalist Burton Hersch combines a lifetime of research and reporting with a lively mixture of never before told anecdotes including the definitive version of the incident at Chappaquiddick the details of which Kennedy himself filled in for Hersch shortly after it occurred to create a broad yet unfailingly intimate portrait of the politician who would be universally acknowledged as one of the twentieth century's greatest American legislators Hersch was acquainted with Kennedy since his college days and the result here is a unique series of revelations that serve to reinterpret the senator's public and private personas Conditioned by deep seated fears that he was an afterthought within his own powerful family Kennedy developed a genius for conciliation and strategizing that made him a dramatically more effective political figure than either of his older brothers In addition to this biography's account of the Chappaquiddick incident Hersch also delivers the first full report of the vendetta between Kennedy and Richard Nixon exposing the behind the scenes manipulations to which Kennedy resorted to drive Nixon from office during the Watergate scandal **My Senator and Me**

Edward Moore Kennedy, 2006 There's an old saying If you want a friend in Washington get a dog A few years ago Senator Ted Kennedy decided to do just that a beautiful Portuguese water dog by the name of Champion Amigo's Seventh Wave aka Splash We follow Senator Kennedy and Splash through a busy day in D C from press conferences to meetings with school groups to committee discussions to a floor vote Caldecott winner David Small's warm witty illustrations provide a wonderful tour of the sights of Washington as well as a behind the scenes look at how a bill becomes a law Perfect for political junkies and dog lovers alike **Good Ted, Bad Ted**

Lester David, 1993 Good Ted a devoted father to his own sons and guardian to his brothers thirteen children an able legislator who has been described by colleagues as the best senator of his generation Bad Ted the world's oldest teenager As his political star ascended he was exposed as a relentless womanizer and drinker with no regard for public opinion Good Ted Bad Ted puts this paradoxical Kennedy in perspective and answers the question How can the two Teds coexist in the same individual Filled with startling new information this book reveals John Hinckley the man who shot President Reagan initially chose Senator Kennedy as his target He waited in Kennedy's office reception room for three hours with a loaded 22 caliber Saturday Night Special in his pocket Had the Senator not been late he would surely have been the third Kennedy to be assassinated Nixon was so terrified of facing Kennedy in the 1972 presidential election that he had his two top aides John Ehrlichman and H R Haldeman set up a team to ferret out any information they could get on Ted This pre Watergate plot was financed by 100 000 from CREEP the Committee to Re Elect the President Even Secretary of State Henry Kissinger rushed to

Nixon with a hot rumor that proved wrong Only three years after Chappaquiddick Ted was a strong contender for the Democratic nomination for President leading in the polls by a wide margin and placing fourth in the Gallop Poll as the most admired American Readers will now know the real reason why he was not nominated It was not because of Chappaquiddick Ted s attempt to dissuade Aristotle Onassis from marrying Jackie Kennedy fearing that the marriage would harm the Kennedy clan Ted was roaring drunk at the White House and so were many New Frontiersmen the evening after JFK was buried A year by year rundown of Ted s women starting in 1969 and continuing to 1991 The Kennedy money is drying up Once one of America s great fortunes larger than the Rockefellers it is dwindling fast Now it barely qualifies for Forbes magazine s Four Hundred If nothing is done to augment the principal the fortune will be tapped out soon after the turn of the century Ted s marriage in 1992 to Victoria Reggie and the very positive influence she has had on his life both personal and political
