Brenna, 2015 Academic study of children's literature has explored various aspects of diversity however little research has examined Canadian books that portray characters with disabilities This relevant and timely text addresses the significant dearth of research by exploring the treatment of disability in Canadian literature for young people Engaging and highly accessible this text will assist teachers teacher educators and teacher candidates in finding and using books about characters where disability is a part of their characterization supporting the development of curricula that reflect critical literacy and social justice issues Stories for Every Classroom explores the historical patterns and trends theoretical frameworks and critical literacy methods used to understand and teach children's literature and its portrayal of characters with disabilities It provides educators with curriculum ideas and enriches the body of resources shared with children in K 12 settings for the purposes of developing imagination empathy and understanding of self and others Featuring author portraits comprehensive annotated bibliographies of contemporary Canadian children's books that depict characters with disabilities and read on bibliographies that provide connections with other books in the field this unique text will be an invaluable resource for educators      *Stage Turns* Kirsty Johnston, 2012-08-01 Over the past three decades disability theatre

artists have claimed greater space on Canadian and world stages While disabled figures and themes are theatre mainstays productions tend to employ disability figuratively rather than engage with actual disability experience In reaction disability theatre pursues an activist perspective that dismantles stereotypes challenges stigma and re imagines disability as a valued human condition Stage Turns documents the development and innovations of disability theatre in Canada the aesthetic choices and challenges of the movement and the multiple spatial scales at which disability theatre operates from the local to the increasingly global Kirsty Johnston provides histories of Canada s leading disability theatre companies emphasizing the early importance of local efforts in the absence of national coordination Close readings of individual productions demonstrate how aesthetic choices matter and can be a source of solidarity or debate between different companies and artists This comparative approach allows for a nuanced consideration of disability theatre s breadth and internal differences Stage Turns highlights the diversity of disability theatre underlining how this is critical to understanding the challenge it poses to mainstream aesthetics and to fulfilling its own artistic goals
