Gillian Arrighi,Victor Emeljanow,2012-03-15 This groundbreaking volume of critical essays about popular entertainments brings together the work of eighteen established emerging and independent scholars with backgrounds in Archives Theatre and Performance Music and Historical Studies currently working across five continents The first of its kind to examine popular entertainments from a global and multi disciplinary perspective this collection examines a broad cross section of historical and contemporary popular entertainment forms from Australia England Japan North America and South Africa and considers their social cultural and political significance Despite the vibrant complex and ubiquitous nature of popular entertainments the field has suffered from a lack of sustained academic attention Nevertheless popular entertainments have a global reach and a transnational significance at odds with the fact that the meaning and definition of both popular and entertainment remain widely contested Since the late nineteenth century class based prejudices in Western culture have championed the superiority of art and literature over the dubious and fleeting pleasures of entertainment Similarly the term popular has carried pejorative connotations indicating something common and outside the conventional and highbrow

productions of the purpose built theatre house or concert hall Irrespective of whether popular is code for a cultural product with a folk origin or a term indicating the mass appeal of a cultural product this volume s re assessment of popular entertainments from a global perspective is timely The performance research embodied in this volume was first discussed at A World of Popular Entertainments International Conference University of Newcastle Australia 2009 in response to a multi disciplinary call for scholars to explore a variety of topics relevant to the study of popular entertainments *Finding Endurance* Darrel Bristow-Bovey,2023-04-06 Engaging absorbing and crammed with marvellous stories Finding Endurance is a tale about exploring the cold told with much warmth MICK HERRON Beautiful thrilling heroic and kind a ripping yarn CLAIRE ROBERTSON AUTHOR OF THE SPIRAL HOUSE Tender heartfelt and lyrical PETINA GAPPAH AUTHOR OF OUT OF DARKNESS SHINING LIGHT An exhilarating read HENRIETTA ROSE INNES AUTHOR OF GREEN LION Since the discovery of the wreck of Ernest Shackleton s ship Endurance on the bed of the Antarctic ocean the world has been enthralled anew by one of the greatest stories of all time Acclaimed South African writer Darrel Bristow Bovey himself a Shackleton aficionado revisits this dramatic event which managed to sweep the tide of anger and rancour off the timelines and front pages of the world He asks how so many ordinary people who don t know a nunatak from a barquentine were so moved at the finding of a small wooden ship once sailed by a half forgotten Irishman In re examining the story and its players he presents new details and a new understanding of the courage and hardship of the Endurance voyage and reminds us of how extraordinary humans can be Not all is lost and what has been lost can be regained the ocean has given us something back What s more we are reminded that miracles still happen human miracles performed by flawed people in helpless situations The Whole Story John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences **Britain and Victory in the Great War** Peter Liddle,2018-06-30 How can we begin to make sense of the Great War now that over 100 years have passed since it ended with the defeat of Germany Austria Hungary the Ottoman empire and Bulgaria and the collapse of Tsarist Russia The conflict had such a profound influence on world history that is it difficult to reconcile the different perspectives and draw clear conclusions That is why this thought provoking collection of original essays on the outcome of the war and its aftermath is of such value It completes the trilogy of ground breaking volumes conceived and edited by Peter Liddle which presents the latest scholarly thinking about the Great War from an international perspective The first two volumes Britain Goes to War and Britain and the Widening War made this stimulating new writing accessible to a broad readership and this final volume has the same aim A group of over twenty expert contributors reconsider the military reasons for the outcome of the fighting and look at the consequences for the principal nations involved They explore the way the war and the peace settlement shaped the twentieth century and had an enduring impact within Europe and beyond The Britannia Panopticon Music Hall and Cosmopolitan Entertainment Culture Paul Maloney,2016-10-13 Focusing on Glasgow s earliest surviving music hall the Britannia later the Panopticon this
