The Effective Executive in Action Peter F. Drucker, Joseph A. Maciariello, 2005-12-02 The Effective Executive in Action is a journal based on Peter F. Drucker's classic and preeminent work on management and effectiveness. The Effective Executive Here Drucker and Maciariello provide executives, managers, and knowledge workers with a guide to effective action, the central theme of Drucker's work. The Effective Executive in Action will teach you how to be a better leader and how to lead according to the five main pillars of Drucker's leadership philosophy. **Laser Information Age , Enterprise Performance Management Done Right** Ron Dimon, 2013-03-06 A workable blueprint for developing and implementing performance management in order to improve revenue growth and profit margins. Drucker, 2008-04-18 With Peter Drucker's five essential questions and the help of five of today's thought leaders, this little book will challenge readers to take a close look at the very heart of their organizations and what drives them. A tool for self-assessment and transformation, answering these five questions will fundamentally change the way you work, helping you lead your organization to an exceptional level of performance. Peter Drucker's five questions are: What is our Mission with Jim Collins? Who is our Customer with Phil Kotler? What does the Customer Value with Jim Kouzes? What are our Results with Judith Rodin? What is our Plan with V. Kasturi Rangan? These essential questions, grounded in Peter Drucker's theories of management, will take readers on an exploration of organizational and personal self-discovery, giving them a means to assess how to be, how to develop quality character, mind, set values, and courage. The questions lead to action. By asking these questions, readers can focus on why they are doing what they are doing in their work and how to do it better. Designed for today's busy professionals, this brief, clear, and accessible book will challenge readers to ask these provocative
