Effective Socializing:

Elements of Influence Terry R. Bacon, 2012 We succeed in business and in life when we influence how others think feel and act getting them to accept our point of view follow our lead join our cause feel our excitement or buy our products and services The act of influencing is such a part of our daily lives that we often don't even realize when we or others are doing it But to succeed we need to know how influence works and how to use it Influencing effectively requires adaptability perceptiveness and insight into other people and cultures Based on 20 years of research Elements of Influence shows readers how to Understand why people allow themselves to be influenced and why they resist Choose the right approach for each situation Be influential when they have no formal authority Succeed in every kind of organization even in other countries Filled with exercises and practical applications this book shows how anyone can increase his or her influence to achieve greater success

EFFECTIVE SOCIALIZING, Livre de l'élève Jeremy Comfort, 1997 This new series of video based courses is aimed at professional people who need to improve their language and communication skills in specific business areas Each course takes a common business function such as giving a presentation or participating in a meeting and takes learners through a stage by stage analysis of the skills and language they need to perform these functions effectively in English

Socialization to Old Age Irving Rosow, 2024-06-21 The prevailing wisdom in gerontology is that people routinely adjust to old age just as they adjust to earlier life stages But aging presents unusual circumstances and the transition processes that typify earlier passages fail to operate in the customary way The reasons for this are the subject of this book Its basic thesis is clear unlike other status changes in American life people are not effectively socialized to old age Irving Rosow shows that there is virtually no role for the elderly the norms for them are weak and they are subject to negligible socializing forces He argues that America has only a minor stake in older people and their place in society almost certainly because of the reduced responsibilities of the elderly and the limited consequences of their actions Rosow considers solutions in the form of alternatives for socialization within our present institutional structure This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them
