**The School Leadership Playbook** Jean Desravines, Benjamin Fenton, 2015-04-30 A proven framework for whole school improvement The School Leadership Playbook

is a practical guide for education leaders looking to push their schools and students' achievement to the next level. Developed by renowned leadership preparation program New Leaders, the Transformational Leadership Framework focuses on the five categories that drive a school's success: Learning and Teaching, School Culture, Talent Management, Operations and Systems, and Personal Leadership. This book illustrates how each of these factors contributes to breakthrough gains and outlines a plan for implementing changes in your own school. You'll learn how to accurately diagnose the current state of your school's academics and culture and create an action plan for the year ahead. The TLF is grounded in the latest research and case studies of the highest-gaining turnaround schools and shows you the specific actions you can take to attract, retain, and support high-performing teachers, improve school culture, successfully involve parents and the community, and ultimately drive student success. New Leaders developed the UEF to pinpoint what schools achieving significant student academic gains were doing and how they were doing it. This book provides a practical breakdown of the framework to help you begin leading these changes in your own school. Ensure rigorous, goal- and data-driven teaching and learning. Build and manage a high-performance faculty aligned to the school's vision. Implement effective and efficient operations and systems. Model the tone you would like to see from students and teachers school-wide. By matching the needs of the school to effective principal actions and school practices, leaders can create a plan for transformational change.

**A School Leader's Guide to VITAL Collaboration** Kevin Perks, Use this indispensable guide to elevate your leadership practices to improve your school's teaching and learning. Designed to empower today's K-12 school leaders, this book will help you develop and implement a robust, systemwide approach to fostering structured and impactful Professional Learning Communities (PLCs). Grounded in extensive research, the VITAL (Visibly Improving Teaching and Learning) Collaboration methodology offers school leaders a structured, data-driven framework for fostering collaborative inquiry to improve collective teacher efficacy. It equips leaders with strategies to build transformational leadership capacity, promote visible improvements in teaching practice, and ensure that all PLC sessions collectively lead to meaningful growth for both teachers and students. By embedding feedback loops into collaborative routines and focusing on evidence-driven inquiry, this innovative approach ensures that every PLC session contributes to making teachers more effective, ultimately improving student outcomes. The text includes field-tested strategies, practical tools, and guidance and actionable steps for implementation. This guide is an essential companion to Kevin Perks's *A Teacher's Guide to VITAL Collaboration*. Book Features Innovative Approach Introduces the VITAL methodology, which pioneers a systematic way for school leaders to foster a culture of collaboration that leverages evidence of teacher practice and student learning within PLCs to help ensure improved outcomes for students. Research-Based Strategies Built on a solid foundation of school improvement science, professional learning communities, and evidence-based leadership practices, the VITAL framework offers actionable strategies that drive both teacher development and student achievement. Practical Tools and Frameworks Provides a practical framework with abundant tools and resources for school leaders to develop and
