Effectiveness Of World Bank Support For Community Development:

The Effectiveness of World Bank Support for Community-based and -driven Development ,2005-01-01 Participatory approaches that involve local communities in their own development have gained substantial support among international donors over the past quarter century and have become increasingly important in the work of the World Bank Community participation is an approach to development that can be used with any Bank lending instrument and across sectors Projects can involve communities in different ways by sharing information consulting collaborating or empowering them The process of involving communities in project activities is also expected to contribute in most cases to communi *Multilateral Banks and the Development Process* Vinod Thomas,2017-07-05 A chain is only as strong as its weakest link When the links in the chain represent development projects if individual projects fail to achieve their purpose the development program s effectiveness is compromised When the chain s links are strong and well connected the results are improved for the sector country and region The role of multilateral banks is crucial they inform the impact of development operations and support policymakers in decision making This volume emphasizes that some crucial links in development tend to be systematically overlooked In these matters preoccupation with the immediate exigencies seems to come at the expense of attention to enduring problems at a great cost to society Development practitioners should apply policies that have produced results over time ensuring that the links in the chain are strong but too often they overlook those links because of myopia complexity tradition or special interests This book will help policy makers and practitioners focus on the links that measure progress apply lessons and matter for lasting results *Diverging Paths of Development in Central Asia* Gül Berna Özcan,2018-11-09 Newly gained sovereignty uneven penetration of neo liberal ideals and the growth of disparate capitalist markets have elicited varied responses in Central Asia What does development mean for the political class and for ordinary citizens What are the effects of new capitalist institutions and markets What impact did western development blueprints and external donor engagement leave in the region This book illuminates the diverse realities of post Soviet development in Central Asia through a multidisciplinary prism The contributing articles are grounded in a range of social science disciplines including architecture anthropology and geography The analyses demonstrate how a synthesis of specialist knowledge from area studies and individual disciplinary methodologies can provide well grounded critical positions on development The book highlights the complexities of everyday routines of dispossession and coping strategies in the face of natural and manmade disasters These experiences create deep moral anxieties under the debilitating effects of monetisation and marketisation of ordinary livelihoods social ties and environmental resources This book was originally published as a special issue of Central Asian Survey **From Schooling Access to Learning Outcomes, an Unfinished Agenda** ,2006 This document is an evaluation of World Bank support to primary education It has two objectives The first is to assess World Bank assistance to countries in their efforts to improve their basic knowledge and skills base through the provision of quality primary education

particularly since the beginning of the Education for All EFA movement in 1990 The second objective is to provide lessons for countries in their development strategies and for the Bank in its support of those strategies

Reducing Poverty on a Global Scale World Bank,2005 Based on the findings from the Shanghai Global Learning Initiative a working conference held in Shanghai in May 2004 organised by the World Bank in partnership with the Chinese Government this publication explores issues relating to global sustainable development poverty reduction strategies and the effectiveness of international aid The aim of the case studies presented is to explore ways of scaling up successful initiatives in order to address the global imbalances in poverty and development identified in the UN Millennium Development Goals

Community Development through Tourism Sue Beeton,2006-09-14 Community Development through Tourism examines the development of local communities through the healthy integration of community planning business planning and tourism planning It explores the most pertinent tourism and business theories moving from strategic planning to community empowerment and practice Research based case studies are used to illustrate how things work in the real world and the ways in which various theories can and have been applied This book will be an important resource for business development managers tourism operators and community leaders as well as students and teachers in courses that incorporate aspects of community tourism into their business tourism social sciences and arts programs

Making a Difference? Susanna Price,Kathryn Robinson,2015-01-01 Social assessment for projects in China is an important emerging field This collection of essays from authors whose formative work has influenced the policies that shape practice in development affected communities locates recent Chinese experience of the development of social assessment practices including in displacement and resettlement in a historical and comparative perspective Contributors social scientists employed by international development banks national government agencies and sub contracting groups examine projects from a practitioner s perspective Real life experiences are presented as case specific praxis theoretically informed insight and pragmatic lessons learned grounded in the history of this field of development practice They reflect on work where economic determinism reigns supreme yet project failure or success often hinges upon sociopolitical and cultural factors

Postcoloniality and Statehood Priyanka Chandra,2025-09-12 This book traces the evolution of the postcolonial state and the social contract in Egypt It problematises two of the most ubiquitous and contentious terms democratisation and development within the context of Egypt and the larger Global South It also subverts western centric ideas of global politics to examine why certain aspects of Egypt s history and policies have received more attention than others This volume presents a study of state society relations the shift to Infitah the impact of neoliberalisation from 1970 to 2011 and social responses to it It argues that the Arab Uprisings of 2011 were not isolated events but a result of a longue dur e political economic history Through the prism of postcoloniality it shows how citizenship is constantly renegotiated in view of the ongoing neoliberalisation and the impact of such social transformations on the nature of the postcolonial state It juxtaposes the role of the state and society against global political and economic landscapes to address

the larger question what is the nature of the postcolonial state This book will be of interest to a wide array of scholars and researchers from politics and international relations sociology and social anthropology social theory political theory postcolonialism and Global South studies

Strengthening the World Bank's Role in Global Programs and Partnerships Uma Lele, 2006-01-01 This volume reports on a conference held by the World Bank's independent Operations Evaluation Department OED to discuss the Bank's role in global program partnerships The starting point for the discussions was a comprehensive review by OED of the effectiveness of 26 of the largest programs including the Consultative Group on International Agricultural Research and programs in health environment and trade Participants at the conference provided crosscutting lessons about program design implementation and evaluation and shared views about how the Bank can best help build commitment and assure financing for high priority global public goods that benefit the poor

Assessing World Bank Support for Trade, 1987-2004 Yvonne Manu Tsikata, 2006-03-14 An independent evaluation of the World Bank's extensive support to developing countries on trade issues between 1987 and 2004 The study assesses the development effectiveness of World Bank trade related advocacy capacity building lending and research It examines the extent to which the Bank's policies and assistance have met its stated objectives in the area of trade and makes recommendations to strengthen the effectiveness of future Bank trade assistance

World Bank Assistance to Agriculture in Sub-Saharan Africa, 2007-01-01 Sub-Saharan Africa is a critical development priority it has some of the world's poorest countries and during the past two decades the number of poor in the Region has doubled to 300 million more than 40 percent of the Region's population Africa remains behind on most of the Millennium Development Goals MDGs and is unlikely to reach them by 2015 With some of the world's poorest countries Africa is a development priority for the donor community A major drag on Africa's development is the underperformance of the critical agriculture sector which has been neglected both by donors and governments over the past two decades The sector faces a variety of constraints that are particular to agriculture in Africa and make its development a complex challenge Poor governance and conflict in several countries further complicate matters IEG has assessed the development effectiveness of World Bank assistance in addressing constraints to agricultural development in Africa over the period of fiscal 1991-2006

IEG Review of World Bank Assistance for Financial Sector Reform Laurie Effron, 2006-01-01 This evaluation presents an independent assessment of the Bank's support for financial sector reforms over the period FY93-03 It assesses the extent to which the objectives of Bank assistance were achieved including reducing government ownership of financial intermediaries decreased market concentration increased competition and efficiency healthier and more stable financial intermediaries and deeper more developed financial systems It also examines Bank support for financial sector reforms in countries under crisis

Fiscal Decentralization and Local Finance in Developing Countries Roy Bahl, Richard M. Bird, 2018-03-30 This book draws on experiences in developing countries to bridge the gap between the conventional textbook treatment of fiscal decentralization and the actual practice of subnational

government finance The extensive literature about the theory and practice is surveyed and longstanding problems and new questions are addressed It focuses on the key choices that must be made in decentralizing on how economic and political factors shape the choices that countries make and on how by paying more attention to the need for a more comprehensive approach and the critical connections between different components of decentralization reform everyone involved might get more for their money *DAC Guidelines and Reference Series Development Assistance Manual DAC Principles for Effective Aid* OECD,1992-11-14

An Impact Evaluation of India's Second and Third Andhra Pradesh Irrigation Projects Howard White,2008 The Independent Evaluation Group IEG of the World Bank has undertaken impact evaluations of the Bank's support to irrigation in Andhra Pradesh India under AP Irrigation II and III and of the U K Department for International Development supported Rural Livelihoods Project RLP This is one of a series of IEG impact evaluations see appendix H IEG's program of impact evaluation is in part carried out under a Department for International Development IEG partnership agreement hence the focus on RLP However survey villages are also covered by the Bank supported DPIP project so that the findings are also relevant to this project

World Bank Engagement at the State Level World Bank,2010-04-21 This report is a pilot cross country study that summarizes 10 years 1998-2008 of the World Bank's engagement at the state level in selected large federal countries and combines elements of a country assistance evaluation and a thematic review It looks at several strategic and operational questions posed by state level engagement among them the selection of states the scope and the modalities of engagement According to the report two tendencies often in tension featured in most approaches for selection of states for direct engagement One was to support better performing reformist states while the other was to support the poorest states as a more direct route to reducing poverty Overall the study confirms the desirability of continued selective lending in a few focus states Among other findings the Bank's engagement with progressive reformist states has added value and has been highly appreciated but in order to enhance the poverty impact of state level interventions greater weight should be given to the needs of poorest states by balancing states propensity to reform and the concentration of poverty within them continued focus on public finance management appears sound irrespective of whether engagement is confined to this area or serves as an entry point for broader engagement there is considerable scope for greater impact from knowledge transfer between states and countries and expanded knowledge services to the state level clients

Budget Support as More Effective Aid? Stefan Koeberle,Zoran Stavreski,Jan Walliser,2006-01-01 Budget support has become an increasingly important instrument in the context of a partnership based approach to development assistance Compared to traditional modes of aid delivery it promises greater country ownership reduced transaction costs better donor coordination scaling up of poverty reduction and potentially greater development effectiveness This book presents a timely and valuable review of key concepts issues experiences and emerging lessons relevant to budget support It provides an overview of principal characteristics expectations and concerns related to budget

support key design and implementation issues as well as some practical experiences The contributors include government representatives from developing countries leading academic scholars bilateral development agencies and development practitioners from international financial institutions including the World Bank and the International Monetary Fund They present a wide range of views on key issues such as the choice of instruments alignment of budget support with country programs predictability and coordination and conditionality The authors draw their insightful analysis on the contemporary research and evaluation work as well as the broad practical experience with budget support This book will be of great interest to practitioners in aid recipient countries and international financial institutions bilateral agencies and civil organizations involved in budget support

World Bank Assistance to the Financial Sector Laurie Effron, 2006-01-01 This report is a synthesis of three evaluations carried out by the Independent Evaluation Group and completed between July 2005 and February 2006 on different aspects of Bank assistance to financial sector development in client countries The three evaluation reports are World Bank Lending for Lines of Credit An IEG Evaluation IEG Review of World Bank Assistance for Financial Sector Reform and Financial Sector Assessment Program IEG Review of the Joint World Bank and IMF Initiative This paper seeks to draw out common themes and issues that have arisen from the three evaluations which reviewed major components of the Bank's assistance during more than a decade to the financial sectors of client countries

Annual Review of Development Effectiveness 2006 Monika Huppi, 2006 The results agenda adopted by the World Bank and other donors aims to ensure that development assistance yields sustainable poverty reduction Effective poverty reduction results from three main factors sustained and inclusive growth effective service delivery to the poor and capable public sector institutions that are accountable to stakeholders for the results they achieve The Annual Review of Development Effectiveness 2006 assembles evaluative evidence around three questions central to poverty reduction How effectively has economic growth translated into poverty reduction in Bank assisted countries and what factors have affected these results What factors have led to high quality results in areas that deliver services to the poor What measures help raise the accountability of public institutions responsible for delivering and sustaining these results The report identifies three key areas where the World Bank can further strengthen its effectiveness in helping countries reduce poverty Economic growth has improved in many Bank client countries but a stronger focus on the nature of growth is needed to ensure that such growth leads to jobs for the poor and productivity increases in poorer regions and sectors where the poor earn their incomes Consistent use of a clearly articulated results chain helps ensure that Bank country assistance programs and individual projects set realistic objectives that key cross sectoral constraints to achieving them are adequately considered and that due attention is given to building capacity A realistic assessment of the political economy of governance related reforms is needed to tailor efforts to increase the accountability of public sector institutions to local conditions
