

CALL DON'T FALL

Ask for help when you need it

Falls can happen in hospital when people don't ask for help. Don't worry; you're not being a nuisance! We want to make sure you're safe, so if you need to move around or go to the toilet, ring your buzzer and let us know.

Please call, don't fall

Effort To Fall:

Atlantic Herring (*Clupea Harengus Harengus*) Fishery Management Plan (FWP) ,1999 **Economics of Fisheries Development** Rowena M. Lawson,2013-11-07 Following the introduction of the 200 mile extended economic zone EEZ many developing countries suddenly found they had large fish resources which wisely managed and exploited could generate wealth and income of immense benefit However one constraint to this was that many countries for historic reasons lacked the expertise to manage fisheries on this scale Despite the need for information few economists and especially development economists teaching in universities and colleges were able to incorporate fisheries economics into their courses owing to the lack of readily accessible material As a result many rising economists were failing to recognize the global importance of fishers as an economic resource capable of generating substantial wealth and income to many countries Economics of Fisheries Development provides an accessible exploration of this area of economics introducing development economists to some of the problems of developing fisheries in areas of the world where fisheries now present great growth prospects The case studies used throughout the book are nearly entirely drawn from developing countries **The Audio Theater Guide** Robert L.
