From the Incubator to the Kingdom Dr. Duane E. Mangum, 2016-09-09 This book was written to share the story of a young man's desire to fulfill his God-given purpose. This journey puts on display the fragileness of his life that began in his childhood which reveals traumatic experiences like homelessness and being blood poisoned as well as physical and emotional abuse. It also shows how he chose through his incredible desire and determination not to quit or allow those difficulties to define his life but chose to let his faith in God be the bridge that transforms him. Through it all he learns the value of pushing past the pain to pursue his God-given purpose. He has realized that everyone that reaches greatness in God will experience measure of challenges but he has also grown to realize the key to overcoming many of life's troubles can be turned around in a positive way by possessing the proper perspective that releases one's potential that provides the energy to be persistent in pursuing your purpose.

**The Power of Ten** Anushri Rajiv Shah, 2018-06-14 The Power of Ten is a daughter's interpretation of her dad's teachings while training her for a squash tournament. On winning the tournament, Anushri decides to follow her other passion, writing. She decides to pen down the rules for success. The book is divided into ten rules that have been segregated into the ten commandments for success. The rules take the reader on a step-by-step journey of achieving success from goal setting to achieving results. With detailed insights and story-telling techniques, Anushri discusses the path that children her age and above can follow to achieve their dreams. Every rule begins with a story and a moral and ends with leading questions the answers to which will pave the path for success. The journey of achieving a goal is tough and long, but if the path is travelled with the right attitude and determination, success waits at the end of the journey with open arms. Anushri's lucid narrative and clarity of thought are particularly relevant because they represent the voice of an accomplished, highly motivated teenager. The Power of Ten can truly become a beacon for young people around the world.

HE Navdeep Suri  
Ambassador of India to the UAE  
The book is a good read for today's young generation. Each chapter of the book has deep insights which will help mould impressionable minds.

Dr B R Shetty, Founder and Chairman NMC Healthcare  
At an age where sculpting of young minds is conducted, Anushri acts as a sculptor, motivating young minds with her passion and personality. Ten is not just a mere number in her eyes, but as her book beautifully places it, it is a metamorphosis of life within ten steps.

Observe, inhale, organise, exhale, and apply power of ten towards glory.
