Ego And Hubris The Michael Malice Story:

Ego & Hubris Harvey Pekar, 2007-12-18 Michael Malice is one of the most puzzling twenty first century Americans I have ever met Harvey Pekar Who s Michael Malice and how did he become the subject of a graphic novel by Harvey Pekar the curmudgeon from Cleveland First of all Michael Malice is a real person He s 5 6 and weighs 130 pounds Although on the cusp of thirty he could easily pass for a scrawny teenager One day Michael a guy with a patchwork employment record and dreams as big as his ego meets Harvey and begins to relay all these wild stories about his life Simple as that Harvey thinks the guy is bright but a bit of a riddle though not the kind wrapped in an enigma It s strange He seems like the type of person you meet every day rather ordinary until you really get to know him Then you realize he s exceptional unusual and contradictory Pleasant one minute really nasty the next But isn t cruelty part of human nature We digress Harvey writes up and illustrates one of Michael Malice s tales Fish Story which is part of American Splendor Our Movie Year It makes a splash and spawns this book Harvey s first hardcover a graphic novel event about one guy s life Ego Hubris relates how a year and a half after his birth in the Ukraine Michael Malice moved with his parents to Brooklyn He s an intransigent kid a hard ass both a demon to and demonized by the people who cross his path His life is a constant struggle for validation in a world where the machine keeps trying to break him down But Michael has a way with people or rather has a way of getting even with people Hey if you can t live up to your parents expectations at least you can live up to your name Michael had never come close to fulfilling his huge dreams until now And just as Harvey s been the everyman for a certain generation of graphic novel readers Michael Malice will be the everyman for a new generation From the Hardcover edition **Overheard in New York**

Grabowski, 2020-02-28 This volume gathers an array of voices to tell the stories of Cleveland's twentieth century Jewish community Strong and stable after an often turbulent century the Jews of Cleveland had both deep ties in the region and an evolving and dynamic commitment to Jewish life The authors present the views and actions of community leaders and everyday Jews who embodied that commitment in their religious participation educational efforts philanthropic endeavors and in their simple desire to live next to each other in the city's eastern suburbs The twentieth century saw the move of Cleveland's Jews out of the center of the city a move that only served to increase the density of Jewish life The essays collected here draw heavily on local archival materials and present the area's Jewish past within the
